

REGISTRATION

CLUB LACROSSE SPRING 2012

In the spring of 2012 the PA Boy's Club Lacrosse Team will join the Minnesota Boy's Scholastic Lacrosse Association (MBSLA) marking the school's first participation in organized competitive lacrosse.

- There will be both varsity and JV level teams made up of PA boys in grades 7-12.
- Practices will be held on weekday evenings, and games on weekends; making it possible for current letter sport athletes to also play lacrosse.
- No experience is necessary to join the club, and all participants will be able to play.

There is a \$325 registration fee associated with the program. The fee covers custom helmets, custom uniforms, and league fees. The uniform and helmet will be kept by the player at the end of the season.

Students need to provide their own stick, gloves, shoulder-pads, and cleats.

***Make checks payable to Providence Academy
Registration form and payment should be turned in to the US Office by Feb 1***
