

# Summer Activities

Arts · Athletics · Academics

## Welcome to Summer 2017 at Providence Academy!

We are excited to have the opportunity to build on our cornerstone of academic excellence and strong Christian values during the summer! The Providence Academy Summer Activities offer a variety of age appropriate, enriching and fun experiences for students age 5 through entering grade 12! Participants do not need to be enrolled at Providence Academy (PA) to participate in the activities. Students may register for one activity or several. The P.A.L.S. Camp is an excellent option for students, age 5 through entering grade 6, who want a full day camp experience.

The Providence Academy Summer Activities promote active learning in a safe and comfortable environment by providing quality content, excellent instructors, and a focus on faith in God and moral character. The Providence Academy Summer Activities continuously receive high marks and was named Best Summer Camp by *Plymouth Magazine* in 2014.

Most of the Providence Academy Summer Activities take place on the school's beautiful 42-acre campus. Providence Academy is conveniently located near major highways (94/694, 494, and 169) at 15100 Schmidt Lake Road, Plymouth, Minnesota.

Register online at [www.providenceacademy.org/summer-activities](http://www.providenceacademy.org/summer-activities) and take advantage of the easy credit card payment system. **Register by Thursday, May 11.**

We look forward to being a part of your summer and giving meaning to the phrase: **"What happens at PA's summer camp brings home fond memories!"** For more information, contact us at 763-258-2500 or by email at [pasummercamps@providenceacademy.org](mailto:pasummercamps@providenceacademy.org).

Here's to a great summer!  
Mrs. Debra Spears  
Summer Activities Coordinator, Providence Academy

# Information, Terms, and Policies

## **DATES AND TIMES**

The Providence Academy Summer Activities are offered from June 12 through August 11. The full day camp, P.A.L.S. Camp, will offer additional sessions from August 14 to August 18. Please note that Providence Academy's summer sessions will NOT be conducted on Monday, July 3rd and Tuesday, July 4th, in observance of the Independence Day holiday.

## **REGISTRATION**

Register before Thursday, May 11th and online via the Providence Academy Summer Activities webpage: [www.providenceacademy.org/summer-activities](http://www.providenceacademy.org/summer-activities).

If you prefer to register with a paper copy, pick up registration materials from Providence Academy's Administrative office or make this request by email to [pasummercamps@providenceacademy.org](mailto:pasummercamps@providenceacademy.org). Hard copies of the completed registration materials may be hand delivered or mailed with full payment. Mail registration materials to:

Providence Academy Summer Activities' Coordinator  
15100 Schmidt Lake Rd., Plymouth, MN 55446

All Providence Academy Summer Activities registration materials must be received by Thursday, May 11, 2017.

A completed Providence Academy Summer Activities registration with emergency contact and medical information is required for each participant. Also, an authorization for administration of medication is needed if applicable. Payment for the full amount of tuition needs to be made in order for the registration to be considered complete.

Classes are filled on a first-come, first-served basis. Students should register for activities based on the grade that they will attend in the fall of 2017.

## **TUITION PAYMENT**

Tuition for each activity is listed in the Providence Academy Summer Activities Guide. Payment in full is required in order for a registration to be considered complete.

A \$25 fee will be assessed for payment that cannot be processed because of insufficient funds in an account or a declined credit card.

## **MINIMUM AND MAXIMUM NUMBER OF PARTICIPANTS**

Each camp will have a minimum and maximum number of participants. These requirements vary from activity to activity. The maximum number of students is determined based on the type of camp and the appropriate student to teacher ratio. Each camp will need a minimum number of participants in order for the camp to be conducted. A camp is subject to be cancelled if it does not reach the required number of participants. The maximum number of registrants is set so that all participants may gain the full experience of the camp. A waitlist will be created if a camp reaches its number of maximum participants.

## **SUPERVISION**

All students in the building must be under adult supervision. If there is a span of one hour or less between two consecutive activities that your child (age 5 - entering grade 6) is registered for, he/she may participate in the P.A.L.S. Camp for a fee of \$10/hour.

## **ABSENCES**

Tuition will not be prorated or refunded due to school closings, family vacations or conflicting activities. If a student is asked to withdraw from an activity because of inappropriate conduct, a refund will not be issued. A refund for medical reasons is applicable for absences of two days or longer, and a doctor's note is required.

## **REFUND POLICY**

A \$50 administrative fee will be retained for all cancellations. No refunds will be granted for registrations cancelled after Thursday, May 11, 2017. This is to ensure programmatic commitments to families and to have proper staffing for all summer activities. This policy includes cancellations due to vacation schedules, change of plans and/or conflicting activities. All requests and necessary documentation for a refund must be submitted in writing to Providence Academy's Summer Activities Coordinator, Mrs. Debra Spears, at 15100 Schmidt Lake Rd., Plymouth, MN 55446.

# Information, Terms, and Policies

## COMPORMENT

The Providence Academy Summer Activities promote respect among individuals and does not tolerate foul or threatening language, harassment or bullying. Students may be asked to withdraw from the program if this policy is violated.

## ATTIRE

Camp participants and staff are required to dress appropriately for the Providence Academy Summer Activities. Clothing must be neat, clean, modest, and free of offensive advertisements and slogans. Participants that dress outside of these expectations may be required to change into more appropriate attire.

## DROP-OFF AND PICK-UP PROCEDURES

Students are expected to be present at the appropriate meeting location at the start of the activity. All students must be picked up by the end of the respective activity. Providence Academy reserves the right to charge a late pick up fee in the event a child is not picked up by the end of his/her session time. The fee is \$1 per minute, per child.

## CANCELLATION POLICY

Providence Academy reserves the right to cancel any class or activity. In the event of a cancellation, Providence Academy will make every effort to notify families at least two weeks prior to the start of an activity. If an activity is cancelled, participants will have the option of applying the tuition towards another program or obtaining a full refund.

If a Providence Academy Summer Activities session must be cancelled due to inclement weather or any other unforeseen circumstance, the instructor of the activity will contact the camp participants regarding the cancellation.

## PHOTOGRAPHS

Providence Academy, its official representatives and assigns, have the irrevocable and unrestricted right to use and publish photographs of all the Providence Academy Summer Activities participants for editorial, trade, advertising, and any other purpose and in any manner and medium. Providence Academy and its official representatives and assigns are released from all claims and liability relating to said photographs.

**“My child is not a PA student and it was the first time he attended summer camps at PA. Because of that, I was a little concerned on how he would like the camps. I have to say that the other kids were really nice to him and he made friends in all the camps he participated in. He was always happy to go back to the camps the next day.”**

Academic Offerings

# Academic Offerings

## **ACT TEST PREPARATION** (Students Entering Grades 11 - 12)

Thinking about taking the ACT this fall? If so, join Breakaway Test Prep, Minnesota's leader in ACT and SAT test prep, in this intensive four-week ACT prep course. The course will give you expert instruction and guided practice to help you reach your potential on this exam. This summer session will provide you with structured guidance and include:

- Comprehensive reviews of all commonly tested concepts in grammar, algebra I, geometry, algebra II, trigonometry, other advanced math topics, chemistry, physics, and biology
- Critical test-taking and time management strategies for all sections of the test
- A proprietary and proven study guide that includes reviews of key concepts and hundreds of sample problems
- Access to more than 40 practice ACTs
- Two full-length practice exams, complete score reports and analyses to help identify areas of strength and weakness

Dates: July 28 - August 18, Fridays  
Time Frame: 9:00 a.m. - 12:00 p.m.  
Cost: \$595  
Class #: A 01  
Instructor: An Instructor from Breakaway Test Prep

NEW!

## **CREATIVE WRITING** (Students Entering Grades 6 - 9)

What's the point of having a million brilliant ideas if you can't communicate them effectively? Learn how to give a unique, precise, and effective voice to your writing. In this camp we will delve into three critical branches of writing: storytelling, persuasive essays, and poetry. This course will guide you in transforming your ideas into mature writing that will set you apart from your peers in both written and oral communication skills.

Dates: June 26 - June 29, Monday - Thursday  
Time Frame: 9:15 a.m. - 12:00 p.m.  
Cost: \$118  
Class #: A 02  
Instructor: An Instructor from the Center for Academic Excellence team

## **GRAMMAR, READING AND MATH ENRICHMENT** (Students Entering Grades 2 - 4)

These customized sessions will help enrich your child's academic needs in grammar, reading and/or math. The one-on-one sessions are a great way of helping your child to maintain and enrich his/her skills during the summer. A minimum of 5 sessions is required.

Date Range: June 27 - July 27  
Day Options: Tuesdays, Wednesdays, or Thursdays  
Time Frame: \* 9:00 a.m. - 3:00 p.m.  
Cost: \$70/hour  
Class #: A 03  
Instructor: Mrs. Ann Brown, Providence Academy Lower School Teacher

\* Register for this academic enrichment class online and contact instructor directly at [Ann.Brown@providenceacademy.org](mailto:Ann.Brown@providenceacademy.org) to arrange session times and days.

## **LATIN ENRICHMENT** (Students Entering Grades 7 - 12)

This opportunity for one-on-one tutoring in Latin is intended for students who want to learn Latin grammar and vocabulary for the first time, to maintain and enrich their current translation skills, or to prepare for more advanced Latin study. What a great way to get a jump on learning the language or build on your skills. A minimum of 5 sessions is required.

Date Range: June 22 - August 10  
Day Options: Thursdays  
Time: \* 9:00 a.m. - 4:00 p.m.  
Cost: \$70/hour  
Class #: A 04  
Instructor: Dr. Jeff Biebighauser, Providence Academy Latin Teacher

\* Register for this academic enrichment class online and contact instructor directly at [Jeff.Biebighauser@providenceacademy.org](mailto:Jeff.Biebighauser@providenceacademy.org) to arrange session times.

# Academic Offerings

## **MATH ENRICHMENT** (Students Entering Grades 3 - 6)

Students will review math concepts and build confidence in their math abilities in these one-on-one tutoring sessions. This is an excellent way to enrich skills in this subject area! A minimum of 5 sessions is required.

Date Range: June 19 - August 8  
Day Options: Mondays or Tuesdays  
*Note: No sessions the week of July 3*  
Time Frame: \* 8:00 a.m. - 5:00 p.m.  
Cost: \$70/hour  
Class #: A 05  
Instructor: Mrs. Kristine McElroy,  
Providence Academy Lower School Teacher

\* Register for this academic enrichment class online and contact instructor directly at [Kristine.McElroy@providenceacademy.org](mailto:Kristine.McElroy@providenceacademy.org) to arrange session times and days.

---

## **PROBLEM SOLVING** (Students Entering Grades 1 - 5)

Can five 20' by 18' carpets lying flat with no overlap fit in a 40' by 50' room? How many different ways can you add up four even, positive numbers to get a sum of 16? In this course, students learn general strategies for solving problems that involve a wide range of mathematical concepts. Working individually and in small groups, students learn to ask precise and thought-provoking questions, and to match appropriate strategies to particular problems.

Dates: June 26 - June 29, Monday - Thursday  
Time Frame: 12:30 p.m. - 3:30 p.m.  
Cost: \$120  
Class #: A 06  
Instructor: An Instructor from the Center for Academic Excellence team

---

## **READING AND MATH ENRICHMENT** (Students Entering Grades K - 5)

Does your child need that little extra academic "boost" during the summer months? The one-on-one Reading and Math Enrichment sessions are a great way of helping your child to maintain and enrich his/her skills during the summer. Mrs. Steinbrueck specializes in phonics and comprehension skills and all areas of math. A minimum of 5 sessions is required.

Date Range: June 20 - July 26  
Day Options: Tuesdays or Wednesdays  
Time Frame: \* 8:00 a.m. - 4:00 p.m.  
Cost: \$70/hour  
Class #: A 07  
Instructor: Mrs. Robyn Steinbrueck, Providence Academy Lower School Teacher

\* Register for this academic enrichment class online and contact instructor directly at [Robyn.Steinbrueck@providenceacademy.org](mailto:Robyn.Steinbrueck@providenceacademy.org) to arrange session times and days.

---

## **STUDY STRATEGIES** (Students Entering Grades 4 - 12)

One-on-one sessions are offered in all areas of study strategies to help you to become a better student. If you need help with your organizational, test taking, time management, and note-taking skills or other areas that may impede you from becoming a better student, these sessions are for you. Mrs. Simmons will help you to improve on these lifelong study strategies. A minimum of 5 sessions is required.

Date Range: June 19 - August 11  
Day Options: Mondays, Wednesdays, or Fridays  
Time Frame: \* 9:00 a.m. - 5:00 p.m.  
Cost: \$70/hour  
Class #: A 08  
Instructor: Mrs. Melissa Simmons, Providence Academy Middle School Teacher

\* Register for this academic enrichment class online and contact instructor directly at [Melissa.Simmons@providenceacademy.org](mailto:Melissa.Simmons@providenceacademy.org) to arrange session times and days.

## **BOYS AND GIRLS YOUTH BASKETBALL CAMP** (Students Entering Grades 3 - 7)

This camp is designed to work on enhancing basketball skills. The participants will work through drills designed to improve dribbling, passing, shooting and other essential basketball skills! Players of all skill levels are welcome to attend. Join the fun!

Dates: July 10 - July 13, Monday - Thursday  
Time: 1:00 p.m. - 3:00 p.m.  
Cost: \$100  
Class: ATH 01  
Instructor: Coach Arthur Crutch, Providence Academy Assistant Varsity Girl's Basketball Coach

---

## **BOYS' BASKETBALL CAMP** (Boys Entering Grades 5 - 8)

"Court" is in session! Hit the court and improve basketball skills in this camp. Participants will work through drills designed to improve dribbling, passing, shooting and other essential basketball skills! Players of all skill levels are welcome to attend. Join the fun!

Dates: June 26 - June 29, Monday - Thursday  
Time: 10:00 a.m. - 12:00 p.m.  
Cost: \$100  
Class #: ATH 02  
Instructor: Coach Arriel McDonald, Providence Academy Head Varsity Boys' Basketball Coach

---

## **FOOTBALL** (Students Entering Grades 3 - 6)

Join this 4 day football extravaganza! Learn offense, defense, kicking, and punting techniques. Learn from members of the Lions Varsity Football staff. Play a scrimmage game at the end of each day in the Providence Academy Stadium. Join the fun in this skill-building camp.

Dates: June 26 - June 29, Monday - Thursday  
Time: 9:00 a.m. - 11:00 a.m.  
Cost: \$100  
Class: ATH 03  
Instructors: Coach Derek Asche, Providence Academy Head Varsity Football Coach  
Coach Brad LaCombe, Providence Academy Varsity Assistant Football Coach

---

## **GOLF CAMP** (Students Entering Grades 2 - 6)

Join a TGA (Teach. Grow. Achieve.) instructor in this national and award winning five-level program. The TGA curriculum teaches students swing basics and proper setup, golf etiquette and vocabulary, and introduces scoring for the game. The sessions also relate golf to science and math concepts. Students are also taught life skills such as respect and sportsmanship.

Dates: June 12 - June 15, Monday - Thursday  
Time: 9:00 a.m. - 12:00 p.m.  
Cost: \$180  
Class: ATH 04  
Instructor: A member of the TGA Team

# Athletic Activities

## **HIGH SCHOOL BOYS' BASKETBALL TEAM PREPARATION CAMP** (Boys Entering Grades 9 - 12)

High School Boys' Basketball Team Preparation is an intense four day team preparation for the rigors of competitive summer basketball and playing at the High School level.

Dates:	July 10 - July 13, Monday - Thursday
Time:	10:00 a.m. - 12:00 p.m.
Cost:	\$75
Class:	ATH 05
Instructor:	Coach Arriel McDonald, Providence Academy Head Varsity Boys' Basketball Coach

---

## **JR. SPORTS CAMP** (Students Entering Grades 1 - 5)

This camp is back by popular demand! The purpose of this camp is to simply have fun playing favorite games and sports with other students. Sports will include baseball, soccer, kickball, and many more. Campers will also challenge their creativity as they make up their own version of popular games. What a great way for students to balance fun with building healthy team competition, cooperation, overall sportsmanship, and exercise. Students may participate in this camp for 1 or 2 weeks.

Meet in the main lobby of the building on the first day of camp.

Option I Dates:	June 19 - June 29, Monday - Thursday
Time:	12:30 p.m. - 2:30 p.m.
Cost:	\$235
Class #:	ATH 06

Option II Dates:	June 26 - June 29, Monday - Thursday
Time:	12:30 p.m. - 2:30 p.m.
Cost:	\$117
Class #:	ATH 07

Instructor:	Mr. Chris Wrede, Providence Academy Middle School Teacher

## **LADY S.E.A.L.S. CONDITIONING** (Girls Entering Grades 9 - 12)

The Lady S.E.A.L.S. participants will take on **Specialized Educational Approach to Learning Success (S.E.A.L.S.)** to aid in their individual athletic development. Participants will be introduced to a broad spectrum of training programs including, but not limited to strength training, cardiovascular endurance training, body-weight plyometric training, and linear and non-linear speed and agility development.

The LADY S.E.A.L.S. sessions will use various areas of the PA campus and other surrounding areas to differentiate the conditioning, yet participants should meet at The Providence Academy Stadium and Track on the first day of the session.

Dates:	June 12 - August 10, Monday - Thursday (Note: No sessions on July 3rd, July 4th, July 17th and July 18th)
Time:	9:00 a.m. - 11:00 a.m.
Cost:	\$278
Class #:	ATH 08
Instructor:	Coach Brad Hortsman, Providence Academy Head Varsity Softball Coach

# Athletic Activities

## **SAILING** (Students Entering Grades 6 - 10)

Whether a novice or seasoned sailor, you will advance your sailing skills on a Twin Cities lake under the guidance of the Wayzata Community Sailing Center's experienced staff. The licensed, and U.S. Sailing certified instructors teach students how to sail in a safe and fun way. Sailors learn hands on sailing skills, while enhancing spatial awareness, weather knowledge, sense of direction, and self-confidence. Participants will be grouped by age and size.

This camp takes place at the Wayzata Community Sailing Center at 456 Arlington Circle South, Wayzata. However, the drop off location is 1000 Eastman Lane, Wayzata.

Dates:	July 17 - July 21, Monday - Friday
Time:	9:00 a.m. - 4:00 p.m.
Cost:	\$275
Class #:	ATH 09
Instructor:	Members of the Wayzata Community Sailing Center's Instruction Team

---

## **S.E.A.L.S. CONDITIONING** (Boys Entering Grades 9 - 12)

The S.E.A.L.S. participants will take on **Specialized Educational Approach to Learning Success (S.E.A.L.S.)** to aid in their individual athletic development. Participants will be introduced to a broad spectrum of training programs including, but not limited to strength training, cardiovascular endurance training, body-weight plyometric training, and linear and non-linear speed and agility development.

The S.E.A.L.S. sessions will use various areas of the PA campus and other surrounding areas to differentiate the conditioning, yet participants should meet at The Providence Academy Stadium and Track on the first day of the session.

Dates:	June 12 - August 10, Monday - Thursday <i>Note: No sessions on July 3rd, July 4th, July 17th and July 18th</i>
Time:	9:00 a.m. - 11:00 a.m.
Cost:	\$278
Class #:	ATH 10
Instructor:	Coach Brad Hortsman, Providence Academy Head Varsity Softball Coach

---

## **SOFTBALL/BASEBALL** (Students Entering Grades 3 - 6)

Batter up to have some fun in the sun in this awesome camp! Fun and fundamentals will be stressed at this camp. Pitching, catching, hitting, bunting and much more will be included, as well as fun games and contests.

Meet at the Providence Academy softball field on the first day of the camp.

Dates:	July 10 - July 13, Monday - Thursday
Time:	9:00 a.m. - 11:00 a.m.
Cost:	\$76
Class:	ATH 11
Instructor:	Coach Colleen Carron, Providence Academy Assistant Varsity Head Softball Coach

**“My child has thoroughly enjoyed camps at Providence. We hope to attend again next year.”**

# Athletic Activities

## **SPORTS CAMP** (Students Entering Grades 6 - 9)

Students spend 8 sessions playing a variety of sports, including baseball, soccer, kickball, dodgeball, and other favorite games and team sports. We will use our creativity to put our own twist on some traditional games. What a great way for students to balance fun with building healthy team competition, cooperation, overall sportsmanship, and exercise.

Meet in the main lobby of the building on the first day of camp.

Option I Dates: June 19 - June 29, Monday - Thursday  
Time: 10:00 a.m. - 12:00 p.m.  
Cost: \$235  
Class #: ATH 12

Option II Dates: June 26 - June 29, Monday - Thursday  
Time: 10:00 a.m. - 12:00 p.m.  
Cost: \$117  
Class #: ATH 13

Instructor: Mr. Chris Wrede, Providence Academy Middle School Teacher

---

## **TENNIS** (Students Age 5 - Entering Grades 12)

This camp is intended to provide participants with an enjoyable experience learning the game of tennis and enhancing existing skills. The sessions will put an emphasis on game fundamentals, conditioning, drills, strategy and match play. A variety of sessions are offered for various grade and skill levels. Sign up for 1, 2 or 3 sessions! The lessons will take place on the Providence Academy tennis courts, which are on the northwest side of the campus.

Level/Grade: Beginner Level/Students Age 5 - Entering Grade 1  
Time: 8:45 a.m. - 9:30 a.m.  
Session I Dates/Cost: June 13 - June 29, Tuesdays and Thursdays (6 sessions)/\$140  
Session II Dates/Cost: July 11 - 27, Tuesdays and Thursdays (5 sessions: No session on July 18th)/\$115  
Session III Cost: August 1 - 10, Tuesdays and Thursdays (4 sessions)/\$90

\*Level/Grade: Developmental Level/Students Entering Grades 1 - 5  
\* Some familiarity with the game of tennis is required.  
Time: 9:45 a.m. - 11:15 a.m.  
Session I Dates/Cost: June 13 - June 29, Tuesdays and Thursdays (6 sessions)/\$210  
Session II Dates/Cost: July 11 - 27, Tuesdays and Thursdays (5 sessions: No session on July 18th)/\$175  
Session III Dates/Cost: August 1 - 10, Tuesdays and Thursdays (4 sessions)/\$140

^Level/Grade: Competitive Level/Students Entering Grades 4 - 8  
^ At this level participants should be ready to begin match competitions.  
Time: 11:45 p.m. - 1:15 p.m.

## **3-D PRINTING: Minecraft Creations** (Students Entering Grades 3 - 6)

3-D printing and Minecraft both represent boundless opportunity for creating even our wildest of ideas! In 3-D Printing: Minecraft Creations, students will explore the basic concepts of 3-D printing and computer-aided design (CAD) to bring their most awesome Minecraft creations to life! Students will take their Minecraft design out of the world of Minecraft and learn how to extrude it into a 3-D model that can then be modified to be printed in 3-D. Students will go home with creations using a 3-D pen and working files that can be uploaded to a 3rd party 3-D Printing website at the end of the program.

Note: 3D pen nibs can reach very high temperatures. Care and control must be exercised by each student to avoid injury.

Dates: July 24 - July 27, Monday - Thursday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$120  
Class #: E 01  
Instructor: A member of the Minneapolis Engineering for Kids Team

---

## **ADVANCED JR. ROBOTICS** (Students Entering Grade 1 - 3)

Using the latest WeDo 2.0 system that Lego has to offer, this camp will ignite the STEM (Science, Technology, Engineering and Math) spark in your child! Fostering their natural curiosity, students work in pairs and explore logic, pattern recognition and math concepts to build increasingly sophisticated designs. The campers will also develop basic programming techniques through the use of custom-made programming blocks in PCs. Students will have hands-on experience effectively using gears, axles and connector blocks in the robotic challenges.

Dates: June 12 - June 15, Monday - Thursday  
Time: 9:15 a.m. - 12:00 p.m.  
Cost: \$108  
Class #: E 02  
Instructor: A member of the Tech Tac Toe Team

---

## **A.I.M. CAMP** (Students Entering Grades 6 - 8)

Want to learn ways to A.I.M. or Achieve In Middle School? Want a head start on learning about various aspects of Providence Academy's Middle School before the school year begins? If so, then this camp is for you! Participants will also learn helpful tips on ways to be a successful student as they transition into Middle School! A.I.M. high and sign up for this popular camp!

Dates: July 31 - August 3, Monday - Thursday  
Time: 9:00 a.m. - 12:00 p.m.  
Cost: \$168  
Class #: E 03  
Instructor: Mrs. Teresa Claypool, Providence Academy Middle School Teacher

## **ART FOUNDATIONS** (Students Entering Grades 7 - 9)

An exploration of several different art mediums and techniques including, but not limited to, painting, drawing, etching and printmaking. Learn and see what happens when you combine art tools and a little creativity. The students will create two in-depth projects with a few less intensive works in between. Learn! Explore! Create!

Dates: June 26 - June 29, Monday - Thursday  
Time: 12:00 p.m. - 2:00 p.m.  
Cost: \$138  
Class #: E 04  
Instructor: Mrs. Johannah Iniguez, Providence Academy Art Instructor

# Enrichment Activities

## **BAND LESSONS: Private Lessons for all Woodwind, Brass, and Percussion Instruments**

(Students Entering Grades 6 - 12)

These private music lessons are perfect for the instrumentalist who is at a beginning or experienced level of playing his/her chosen band instrument. Summer lessons help students to improve all aspects of their playing such as rhythm, pitch, range, tone, and overall musicianship. What a great way to learn a new skill or enhance an existing one. Give the gift that will last a lifetime -- the gift of music.

Sign up for two or several 1/2 hour sessions.

Date Range: June 20 - August 8, Tuesdays  
Time Frame Options: \*9:00 a.m. - 2:00 p.m.  
Cost: \$25/half hour session  
Class #: E 05  
Instructor: Mr. Thomas Jones, Providence Academy Band Instructor

\* Register for these music lessons online and contact instructor directly at [Thomas.Jones@providenceacademy.org](mailto:Thomas.Jones@providenceacademy.org) to arrange lesson times.

## **BIBLE STUDY: Introduction to the Old Testament** (Students Entering Grades 3 - 6)

This camp is intended to give students a working knowledge of referencing and using the Bible, and a basic understanding of its parts and historical background.

Participants will explore the different styles of literature in the Bible and its relevance to youth living a Christian life. A Catholic Bible and Bible tabs will be provided for participants who did not already receive these items from a previous Bible study session with Mr. Dudley.

Dates: June 19 - June 22, Monday - Thursday  
Time: 12:00 p.m. - 2:00 p.m.  
Cost: \$92  
Class #: E 06  
Instructor: Mr. Brian Dudley,  
Providence Academy Lower School Teacher

## **CRAZY CHEMWORKS** (Students Entering Grades 1 - 5)

Explore the chemistry of everyday life! This Mad Science camp is bubbling over with classic experiments and crazy concoctions with spectacular hands-on activities. The camp includes real chemistry tools, stunning demonstrations and your own set of labware to take home. This camp combines FUN and learning for an award winning formula!

Dates: July 17 - July 20, Monday - Thursday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$130  
Class #: E 07  
Instructor: A member of the Mad Science Team

**“He felt included even though he doesn’t attend P.A. He had fun.”**

# Enrichment Activities

## **DISCOVER MAGIC** (Students Entering Grades 3 - 6)

Students will learn original magic tricks, developed by some of the top thinkers in magic today. The magical part about this class is that life skills such as, public speaking, self-confidence, and respect are integrated in the curriculum. Aside from magic tricks, students will understand how math, art and science can be a part of magic. Students will receive a backpack, magic tricks, and other fun items to take home.

There will be a magic show on the last day of class at 3:00 p.m. Families and friends are invited to attend!

Dates: June 12 - June 15,  
Monday - Thursday  
Time: 12:30 p.m. - 3:30 p.m.  
Cost: \$185  
Class #: E 08  
Instructor: Hudson the Magician

## **DOLL'S LUAU CAMP!** (Students Age 5 - Entering Grade 4)

Aloha! Warm and sunny Hawaii will be the theme for this camp. Each day we'll make amazing Hawaiian and beach projects for you and your doll. You'll leave this unique camp with homemade items like a dolls surf board, doll necklaces, doll-sized-food, accessories and more. We'll have a wonderful time creating charming items for our dolls. We'll even make some matching accessories for ourselves! At the end of the camp, we'll have a beach party for our dolls.

Bring your favorite 18 inch-sized doll to this camp.

Dates: July 17 - July 20, Monday - Thursday  
Time: 1:00 p.m. - 4:00 p.m.  
Cost: \$120  
Class #: E 09  
Instructor: A member of the Abrakadoodle Art Education Team

## **DRIVER'S EDUCATION** (Students 14 years of age and older)

This 30-hour program will be conducted by a certified instructor from the A+ Driving School and will fulfill the state driver's education requirement. The course will address the "how-tos" and "whys" of safe driving. The format of the class will be lecture and active discussion. After completion of the program, students will be able to set up and participate in behind-the-wheel sessions to meet the six hour state requirement.

Note: The price includes behind-the-wheel sessions.

Session I Dates: June 19 - June 30 Monday - Friday  
Time: 9:30 a.m. - 12:30 p.m.  
Class #: E 10

Session II Dates: July 17 - July 28, Monday - Friday  
Time: 1:00 p.m. - 4:00 p.m.  
Class #: E 11

Cost: \$395/session  
Instructor: A+ Driving School Certified Instructor

# Enrichment Activities

## **ENGINEERING AERONAUTIC AND DRONES!** (Students Entering Grades 2 - 6)

Explore flight like never before by flying drones and engineering amazing flying machines! Learn about the state of the art flying robotic technology, the four Forces of Flight, Bernoulli's principle, the effect of properties of air on aircrafts and much more! You'll learn to fly drones, hone your flying skills and join an aerial competition! Students will also engineer multiple aircraft designs from helicopters to gliders to propeller powered planes. Students will keep the projects. This is an awesome camp to get exposed to the latest robotic flight technology. Bring a Lego Minifigure for a surprise project!

Dates: June 19 - June 22, Monday - Thursday  
Time: 9:15 a.m. - 12:00 p.m.  
Cost: \$125  
Class #: E 12  
Instructor: A member of the Tech Tac Toe Team

## **EXTREME LEGOS** (Students Age 5 - Entering Grade 3)

Challenge every aspect of your creativity and intellect while learning the basics of engineering and physics. Each class, students are given a different project to build, test and modify. The projects will be used to investigate basic aspects of engineering. Emphasis is placed on hands-on experimental activities and kid-friendly lessons. Join this dynamic exploration of machines and mechanisms today!

Dates: July 24 - July 27, Monday - Thursday  
Time: 1:00 p.m. - 3:00 p.m.  
Cost: \$95  
Class #: E 13  
Instructor: A member of the Youth Enrichment League Team

**NEW!**

## **GAMING ACADEMY** (Students Entering Grades 6 - 12)

Gaming Academy is a 3 day camp for students who love games and computers and want to create their own interactive gaming experience. During this hands-on class students will learn about the advanced features of video game design, and 3D game design. Participants will create platform and multi-player games, and work on team building games.

Students who complete this course will gain valuable experience designing and producing their own fun interactive games to share with the friends and family. Participants will also have the option of using advanced features to put themselves into the game that they create. This class also teaches higher level thinking, problem solving, effective communication and helps to give students self-confidence to excel in other academic disciplines.

Dates: July 5 - July 7, Wednesday - Friday  
Time: 9:00 a.m. - 4:00 p.m.  
Cost: \$240  
Class #: E 14  
Instructor: A member of the Youth Tech Team

## **GEOLOGY ROCKS** (Students Entering Grades 1 - 5)

Become a Mad Science Geologist as we explore Earth and its hidden treasures. Discover the wonders of rocks, fossils, dinosaurs, minerals and geological phenomena like earthquakes, mountains and volcanoes. Start your own rock and mineral collection, grow a crystal, build a sedimentary stacker and prepare a fossil to take home. Get ready to "dig up" some fun in this class!

Dates: July 31 - August 3, Monday - Thursday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$118  
Class #: E 15  
Instructor: A member of the Mad Science Team

# Enrichment Activities

## **GLO AND GO ART CAMP!** (Students Age 5 - Entering Grade 4)

Glow in the dark glitter and metallic colors combined with other fun materials make up this amazing camp. Join us and have a blast as we create art that glows in the dark. We'll make 3D fireflies that light up, glow in the dark owls and glittery fireworks among many other fun projects that will give you a spark and let your light shine in the dark. This camp will surely light up your creativity! This is an ideal camp for siblings.

Dates: July 10 - July 13, Monday - Thursday  
Time: 1:00 p.m. - 4:00 p.m.  
Cost: \$118  
Class #: E 16  
Instructor: A member of the Abrakadoodle Art Education Team

NEW!

## **HEALTHY HANDS COOKING!** (Students Entering Grades 3 - 6)

In this life skills camp, students will learn to chop, cut, blend, mix, whip, measure, and mince using age appropriate hands-on tools and activities. Each class consists of games, nutritional education, and make-it-yourself recipes that students get to enjoy in class. At the end of camp, students receive a certificate of completion and better knowledge of kitchen skills and healthy eating! Class topics will include: kitchen safety, cross-contamination, healthy snacks, fueling your body, healthy breakfasts, MyPlate nutrition, and healthy substitutions.

Dates: July 24 - July 27, Monday - Thursday  
Time: 12:00 p.m. - 3:00 p.m.  
Cost: \$195 (includes student workbook)  
Class #: E 17  
Instructor: A member of the Healthy Hands Cooking Team

## **INTRO TO WEBPAGE PROGRAMMING** (Students Entering Grades 4 - 7)

Curious to learn html AND JavaScript? Then this camp is for YOU! In this camp, you will be introduced to html, the programming language used to build websites AND JavaScript. This will give you a great introductory to the language for Java that powers more than 4 billion devices worldwide! The camp is a great way to gain a better understanding of computer languages. Take home a basic website and a fun video game!

Basic Windows and keyboarding skills required. Please bring a USB Jump Drive to save your work.

Dates: August 7 - August 10, Monday - Thursday  
Time: 1:00 p.m. - 3:50 p.m.  
Cost: \$138  
Class #: E 18  
Instructor: A member of the Tech Tac Toe Team

## **JR. CHEMICAL ENGINEERING: Crazy Concoctions!** (Students Age 5 - Entering Grade 2)

The Junior Chemical Engineering camp introduces our youngest engineers to fundamental concepts of solids, liquids, and solutions. Students investigate the properties of several crazy concoctions and make their own samples of bubbles, Play-Dough, flub, and more!

Dates: July 31 - August 3, Monday - Thursday  
Time: 1:00 p.m. - 3:00 p.m.  
Cost: \$118  
Class #: E 19  
Instructor: A member of the Minneapolis Engineering for Kids Team

# Enrichment Activities

## JR. POKEMON: Gotta Catch 'Em All (Students Age 5 - Entering Grade 2)

Is your child crazy for all things Pokemon? Then this is the camp for him/her! We will be creating different Pokemon characters, playing Pokemon games, using Pokemon-focused activities to enhance math and writing skills, and even having Pokemon snacks! This class is a fun way to will tap into your child's creativity, and problem-solving skills. Come and "Catch 'em all!"

Dates:	July 31 - August 3, Monday - Thursday
Time:	9:00 a.m. - 11:30 a.m.
Cost:	\$125
Class #:	E 20
Instructor:	Mrs. Robyn Steinbrueck, Providence Academy Lower School Teacher

## MECHATRONIC MASTERMINDS (Students Entering Grades 3 - 6)

Eureka! Kelvin has finally done it! He has created a perpetual motion machine. But what is this? An evil genius has stolen Kelvin's masterpiece. Kelvin is now looking for a trustworthy team to develop and test new gadgets that will help him find and safeguard his perpetual motion machine. Explore the basics of mechatronics engineering and logic based programming as students use littleBits® and work together to design gadgets, tools, and machines that will help Kelvin get out of any sticky situation he may encounter.

Dates:	August 7 - August 10, Monday - Thursday
Time:	9:15 a.m. - 12:15 p.m.
Cost:	\$120
Class #:	E 21
Instructor:	A member of the Minneapolis Engineering for Kids Team

NEW!

## MINECRAFT MODDING WITH JAVA (Students Entering Grade 3 - 6)

In this awesome class you'll discover how to modify Minecraft code to mod your very own items, including swords, tools, blocks and more! As participants have a blast creating their very own items in Minecraft they'll be delving into Java, one of the most important programming languages.

Basic Windows and keyboarding skills required. Make sure you bring a USB Jump Drive to save your work.

Dates:	June 12 - June 15, Monday - Thursday
Time:	9:15 a.m. - 12:00 p.m.
Cost:	\$135
Class #:	E 22
Instructor:	A member of the Tech Tac Toe Team

## MOVIE MAKERS! (Entering Grade 5 - Entering Grade 12)

This hands-on, interactive camp will instruct students on the world of digital video design and production. Students will learn concepts that will help them become effective directors of digital video projects. Participants will learn how to create their very own music video, as well. Students who complete this class will learn concepts critical to designing and developing an effective video project. This class also teaches higher level thinking, and problem solving, skills. Movie making is a skill that can help with projects from creating family memories to putting together a class project. Don't just watch movies -- create them!

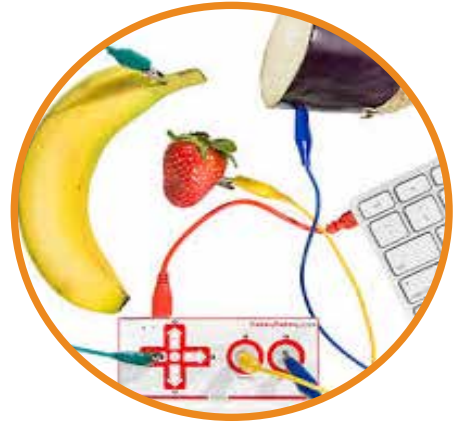

Dates:	July 31 - August 3, Monday - Thursday
Time:	12:30 p.m. - 3:30 p.m.
Cost:	\$144
Class #:	E 23
Instructor:	A member of the Youth Tech Team

# Enrichment Activities

## **MUSICAL ADVENTURES WITH SCRATCH AND MAKEY MAKEY!** (Students Age 5 - Entering Grade 2)

When your favorite song comes on the radio do you sit quietly or do you dance around and play an air drum solo? In Musical Adventures With Scratch and Makey Makey, we are going to explore how different sounds are created. We will create our own interpretations of common musical instruments like drums, piano, guitar, and even a recorder. We will even create our very own dancing program, all through the use of Makey Makey and Scratch to bring our music to life!

Makey Makey is truly for the 21st century student when they turn everyday objects into touchpads and combine them with the internet. The last day will end with a bang, or at least a really great mini concert from all of the students!

Dates: July 24 - July 27, Monday - Thursday  
Time: 1:00 p.m. - 3:00 p.m.  
Cost: \$125  
Class #: E 24  
Instructor: A member of the Minneapolis Engineering for Kids Team

## **POKEMON: Gotta Catch 'Em All** (Students Entering Grades 3 - 6)

Is your child crazy for all things Pokemon? Then this is the camp for him/her! We will be creating different Pokemon characters, and playing Pokemon games. We will also use our problem-solving and writing skills to work Pokemon math problems and writing activities. We will even have Pokemon snacks! Come and "Catch 'em all!"

Dates: July 31 - August 3, Monday - Thursday  
Time: 12:30 p.m. - 3:00 p.m.  
Cost: \$125  
Class #: E 25  
Instructor: Mrs. Robyn Steinbrueck, Providence Academy Lower School Teacher

## **PROJECT RUNWAY I** (Students Entering Grades 4 - 8 )

Come to Project Runway and start creating and learning a life skill! Students will learn the basics of hand and machine sewing. Designers will also learn to measure, pin and cut patterns. Perfect for the beginner or returning student! Dress up your summer with a new self-made wardrobe! Projects will include a swimsuit cover up, mini messenger bag, ear bud case and your personalized sewer's handbook. "Sew" what are you waiting for? Sign up today!

Mark your calendar for the Project Runway Showcase at 11:30 a.m. on August 11. Family and friends are welcome!

Dates: August 7 - August 11, Monday - Friday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$140 (includes materials)  
Class #: E 26  
Instructor: A member of the Youth Enrichment League Team

NEW!

## **SCIENCE OF SAILING: Build a Sailboat** (Students Entering Grades 8 - 12)

Move over Huck Finn, we're building our own watercraft! During this one-of-a-kind lake adventure, students will use lessons in displacement, sail area, lashing, mathematics, and physics to build a sailing vessel. Working in small groups we'll create our own craft to get us across the lake - waste and fuel free. This hands-on-camp works on many skills? Are you up to the challenge? Join Mrs. Dolan, B.S. Biology and Masters of Education candidate and veteran staff member at Wayzata Community Sailing Center, in this great camp!

Participants should come prepared to be in and out of the lake during class, so wearing a swimsuit is a must! It is also recommended to bring a towel, personal flotation device (PFD), change of clothes, sun protection, and water shoes.

A PFD is required when in and on the water, and one will be provided for those that do not have one.

Dates: July 17 - July 21, Monday - Friday  
Time: 9:00 a.m. - 12:00 p.m.  
Cost: \$115  
Class #: E 27  
Instructor: Mrs. Andrea Dolan, Wayzata Community Sailing Center Instructor

---

## **SCIENCE RESEARCH PROJECT: Oak Savanna Ecosystem** (Students Entering Grades 9 - 12)

Interested in scientific research? Want to gain experience doing real ecological fieldwork outside at one of the most influential field stations in the USA? This summer, join Dr. Boldt at Cedar Creek Ecosystem Science Reserve in East Bethel, MN. You'll get your hands dirty working with University of Minnesota researchers to answer questions about ecosystem ecology! This summer's focus will be on the oak savanna, an ecosystem of conservation importance that is home to a wide variety of unique plants and animals. You will work in small groups to design research projects, collect and analyze data, and investigate all aspects of the savanna ecosystem. This project gives great practical experience and is an excellent college resume builder!

Dates: \*June 15 - July 27, Thursdays (no class Thursday, July 6th)  
\* Presentation date will be in August. Exact date is yet to be determined.  
Time: 8:00 a.m. - 4:00 p.m.  
Cost: \$298 (includes transportation to and from the site in East Bethel, MN)  
Class #: E 28  
Instructors: Dr. Boldt, Providence Academy Science Instructor  
Members of the Cedar Creek Ecosystem Science Reserve Staff

---

## **SECRET AGENT SCIENCE CAMP** (Students Entering Grades 2 - 5)

Can you outwit the Mad Science Spy? Discover the science behind some real spy technology as you listen to distant voices and sounds. Learn about different secret codes, their use in clandestine communications and a little of the history behind them. James Bond's gadgets weren't all science fiction. Experiment passing your messages using a spy technique called a "dead drop". Crack the code to learning and fun and join this camp!

Dates: August 7 - August 10, Monday - Thursday  
Time: 1:00 p.m. - 4:00 p.m.  
Cost: \$118  
Class #: E 29  
Instructor: A member of the Mad Science Team

# Enrichment Activities

## **SOIL APPLICATION RESEARCH PROGRAM (SARP)** (Students Entering Grades 10 - 12)

SARP is an ongoing partnership between biology teacher, Dr. Boldt, and Dr. Lloyd of Precision Organics. The purpose of this program is to examine how fertilizers, composts, biochar, and a novel soil amendment known as "Precision Organics Test Product" impact soil microbes and nutrient availability to flowers, trees, grass and vegetables in urban landscapes. This summer, we will test the effects of soil amendments on the growth of river birch trees. Additionally, we will determine the timeline in which nitrogen becomes available to plants for different soil amendments. Students will engage in multiple phases of the scientific research process, including experimental design, implementation, data collection and statistical analysis. These applied science research projects produce information that can enable all of us to be better stewards of our cities, parks, and yards. Be a part of today's data for tomorrow's discoveries!

Notes: Students may sign up for both sessions or one session. Meet in N307 the first day of class. Contact Dr. Boldt at [Yvonne.Boldt@providenceacademy.org](mailto:Yvonne.Boldt@providenceacademy.org)

Session I Dates: June 19 - July 31, Mondays and Thursday, July 6 (no class July 3rd)  
Time: 1:00 p.m. - 4:00 p.m.  
Class #: E 30

Session II Dates: June 20 - August 1, Tuesdays and Friday, July 7 (no class July 4)  
Time: 9:00 a.m. - 12:00 p.m.  
Class #: E 31

Cost: \$150/session  
Instructors: Dr. Yvonne Boldt, Providence Academy Science Instructor  
Dr. John Lloyd, Precision Organics

---

## **SPANISH** (Students Entering Grades 8 - 10 )

Did you know that Spanish is spoken in about 21 countries and by almost 500 million people worldwide? Join this growing population of Spanish speakers! This class is a great way to help you refresh on Spanish vocabulary, phrases, and grammar. These sessions are a great steppingstone to high school Spanish. Come as we immerse ourselves in the language!

Dates: July 17 - July 20, Monday - Thursday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$125  
Class #: E 32  
Instructors: Señor Donohue, Providence Academy Lower School Spanish Teacher  
Señora Donohue, native Spanish speaker

---

## **SPANISH FOR MIDDLE SCHOOLERS** (Students Entering Grades 6 - 7 )

This class is great to help students refresh on or learn Spanish terms for typical foods, greetings, and other useful vocabulary. Students will also learn simple grammar instruction. Lessons will be taught through interactive speaking, listening, games and other activities. This is a great class for students preparing to take Spanish class in Middle School or just wanting to learn some basics of one of the world's fastest growing languages.

Dates: June 26 - June 29, Monday - Thursday  
Time: 1:00 p.m. - 4:00 p.m.  
Cost: \$125  
Class #: E 33  
Instructors: Señor Donohue, Providence Academy Lower School Spanish Teacher  
Señora Donohue, native Spanish speaker

# Enrichment Activities

## **SPANISH FOR YOUTH** (Students age 5 - Entering Grade 2)

¡Bienvenidos! Grab your camera and passport and join us as we visit Spanish-speaking countries! Join the expedition and explore customs, foods, and activities of the Spanish-speaking world with native Spanish-speaking instructors. Lessons will be taught through interactive speaking, listening, games and other activities.

Dates:	August 7 - August 10, Monday - Thursday
Time:	9:15 a.m. - 11:15 a.m.
Cost:	\$115
Class #:	E 34
Instructors:	Señor Donohue, Providence Academy Lower School Spanish Teacher Señora Donohue, native Spanish speaker

---

## **STAR WARS VII ART LEGO®** (Students age 5 - Entering Grade 4)

Have a blast as you create a scale speeder bike or make your very own Kylo Ren light saber. Learn how to draw and sculpt with clay characters like a BB-8 droid, along with other exciting projects to take home! Discover the creative force inside of you as you have fun building astonishing LEGO® creations to complement your masterpieces. May the creative force be with you!

Bring a white t-shirt to class to use for a project.

Dates:	July 17 - July 20, Monday - Thursday
Time:	1:00 p.m. - 4:00 p.m.
Cost:	\$120
Class #:	E 35
Instructor:	A member of the Abrakadoodle Art Education Team

---

## **STRING LESSONS: Private and Semi-Private Lessons for Violin, Viola, Cello or Bass!**

(Students Entering Grades 1 - 12)

These private or semi-private music lessons are perfect for the instrumentalist who is at the beginning or experienced level of playing the violin, viola, cello or bass. The lessons will help string orchestra musicians work to develop their technical skills and musicianship. What a great way to learn a new skill or enhance an existing one. Let the music begin and sign up for one, two or several 1/2 hour sessions with an instructor who has 30+ years of playing and teaching how to make beautiful music on stringed instruments!

Private Lessons:	June 20 - August 3, Tuesdays, Wednesdays, Thursdays
Time Frame:	* 9:00 a.m. - 4:00 p.m.
Cost:	\$36/half hour session
Class #:	E 36

^ Semi-Private Lessons:	June 20 - August 3, Tuesdays, Wednesdays, Thursdays
Time Frame:	*9:00 a.m. - 4:00 p.m.
Cost:	\$18/half hour session
Class #:	E 37

Instructor: Mrs. Beth Wolfe, Providence Academy's Strings Director

\* Register for these music lessons online and contact instructor directly at [Beth.Wolfe@providenceacademy.org](mailto:Beth.Wolfe@providenceacademy.org) to arrange lesson times.

^ Registrants must arrange groups prior to registration for semi-private lessons.

# Enrichment Activities

## **VIDEO GAME DESIGN!** (Entering Grades 5 - 12)

This course provides students with a fun interactive look at the world of video game design and development. Students enrolled in this camp will learn the basics of video game design and produce several different interactive video games to share with their friends and family. This class also teaches higher level thinking, problem solving, and logic and helps give students self-confidence to excel in other academic disciplines.

Dates: July 31 - August 3, Monday - Thursday  
Time: 9:30 a.m. - 12:30 p.m.  
Cost: \$158  
Class #: E 38  
Instructor: A member of the Youth Tech Team

---

## **WRECK-IT WEEK: Engineering Related Challenges** (Students Entering Grades 3 - 6)

Smash! Crash! BOOM! In this camp, you will join wrecking companies for the week and will attempt to work your way up the ranks of their company from Intern to President. You will compete against other wrecking companies in various engineering-related challenges, such as building a bridge from balsa wood and constructing safety mechanisms to protect a raw egg from impact. Put on your hard hats and safety goggles and join the fun!

Dates: July 10 - July 13, Monday - Thursday  
Time: 9:15 a.m. - 12:15 p.m.  
Cost: \$120  
Class #: E 39  
Instructor: A member of the Minneapolis Engineering for Kids Team

---

## **YOUTH ART FOUNDATIONS** (Students Entering Grades 1 - 6)

An exploration of several different art mediums and techniques including, but not limited to, painting, drawing, etching and printmaking. Learn what you can do with these art tools and a little creativity in this hands-on camp. Students will create two in-depth projects with 2 or 3 less intensive works in between. Loved ones cherish art projects created by little ones . . . get a jump on holiday gift giving with projects created from this class!

Dates: June 26 - June 29, Monday - Thursday  
Time: 9:00 a.m. - 11:00 a.m.  
Cost: \$130  
Class #: E 40  
Instructor: Mrs. Johannah Iniguez,  
Providence Academy Art Instructor

---

## **YOUTH HEALTHY HANDS COOKING!** (Students Age 5 - Entering Grade 2)

In this week long camp, students will learn to chop, cut, blend, mix, whip, measure, and mince using age-appropriate hands-on tools and activities. Each class consists of games, nutritional education, and make-it-yourself recipes that students get to enjoy in class. At the end of camp, students receive a certificate of completion and better knowledge of kitchen skills and healthy eating! Topics include: kitchen safety, cross-contamination, healthy snacks and breakfasts MyPlate nutrition, and healthy substitutions.

Dates: July 24 - July 27, Monday - Thursday  
Time: 9:15 a.m. - 11:15 a.m.  
Cost: \$140  
Class #: E 41  
Instructor: A Healthy Hands Cooking Instructor

Full Day  
Camp Experience

# Full Day Camp Experience

The P.A.L.S. Camp is designed for the student who is interested in a full day camp experience. The Camp provides enriching and fun activities for children age 5 through entering 6th grade. All campers are exposed to daily activities that help them to stay abreast of some of their academic skills, be exposed to a new skill or interest, and have FUN with new and old friends alike! Each week students experience a special activity and a field trip!

The full day experience for our campers age 5 through entering 2nd grade is theme-based. Camps will include athletic activities, arts/crafts, games, and other enrichment activities, all based on a weekly theme. Students entering grades 3 - 6 will have an opportunity to choose their special activity from the list of amazing camps being offered on campus each week. Options for the special activities and the field trips are on the following pages.

The full day camp is conducted Monday through Friday from 8:00 a.m. to 3:00 p.m., with an extended day option until 5:30 p.m. The P.A.L.S. Camp is based at the Providence Academy campus so that the students may take advantage of the various resources that the spacious campus has to offer. The P.A.L.S. Camp is conducted in 10 weekly sessions from Monday, June 12 to Friday, August 18. Students may participate in one week, several weeks, or all 10 sessions.

* SAMPLE DAILY SCHEDULE

# P.A.L.S. Grades 3 - 6 Overview

The P.A.L.S. Campers entering grades 3 - 6 are exposed to various fun weekly activities and field trips. They will have an opportunity to choose their special activity from the list of amazing PA camps (see below). Details for these exciting weekly activities are on the previous pages. These activities will help students learn a new skill or enhance an interest. Once students are registered for the P.A.L.S. Camp they will receive a link to choose options for the weekly activities. In addition to the activities, the 3 - 6 graders will have daily academic and recess time.

# P.A.L.S. Age 5 - Grade 2 Camp Descriptions

## **Around the World (Session 1: June 12 - June 16)**

Update your passports and pack your bags and prepare for a trip around the world! We will make stops in South America, Australia, Europe and Canada. Learn about day to day life in these different places, taste some favorite cuisine, and explore their natural world.

## **Homeward Bound (Session 2: June 19 - June 23)**

What do you know about Minnesota? Come and explore our homeland of Minnesota. Learn about wildlife, MN symbols, and taste some of our state's favorite treats. Join us as we indulge in MN native history through games and activities.

## **Creative Campers (Session 3: June 26 - June 30)**

Science, art, cooking, and curiosity are all swirled together in our Creative Campers week! CREATE masterpieces using your artistic talents, discover the scientific effects of mixing different household items together, make and eat culinary masterpieces that will tickle your taste buds. Come and unleash your creative energy!

## **America The Beautiful (Session 4: July 5 - July 7)**

Celebrate the birth of our country! Participate in America's favorite pastime game of baseball. Create fourth of July firework crafts! Prepare and eat traditional 4th of July goodies, and enjoy some all around backyard barbeque fun!

## **Engineering For Kids – Twisted Fairy Tales (Session 5: July 10 - July 14)**

Explore a few fairy tales of different points of view and engage in activities to investigate solutions for each fairy tale's obstacles. We will help the Three Billy Goats Fluff devise a method to cross the bridge quietly and not wake the troll, and construct an edible reef entirely from candy to protect the Three Little Fish from the Big Bad Shark!

## **Fun and Fitness (Session 6: July 17 - July 21)**

Bring your tennis shoes and get ready to participate in some exciting group games and activities. Learn about and prepare healthy foods that provide good fuel for our body. Engage in new and traditional large motor games that get our hearts racing, and enjoy some fun team building activities that will help us to lead healthier lives.

## **Bible Stories Come to Life (Session 7: July 24 - July 28)**

Combine your knowledge of Bible stories with your creative crafting skills and your dramatic talent for one fun-filled week of activities. Discover the stories of important Biblical characters, Use that knowledge to build Noah's Ark, create Joseph's coat of many colors, and act out some of the different parables.

## **Under the Sea and Outer Space (Session 8: July 31 - August 4)**

Blast into outer space and then plunge deep into the sea as we explore the extreme parts of the world around us. Put on your space suits, and learn about our fascinating solar system. Place space bingo and create space snacks. Then take a plunge into the deep blue seas! Get your scuba gear ready as we explore the coral reef and amazing wildlife that lives in the depths of the sea around us.

## **The Great Outdoors (Session 9: August 7 - August 11)**

Enjoy outdoor games, tell stories around the campfire, make s'mores, and enjoy a picnic in the great outdoors! These are just a few of the activities we will indulge in during our Great Outdoors week. Learn basic survival skills and discover the great gifts that Mother Nature has to offer. It is sure to be a week filled with adventure!

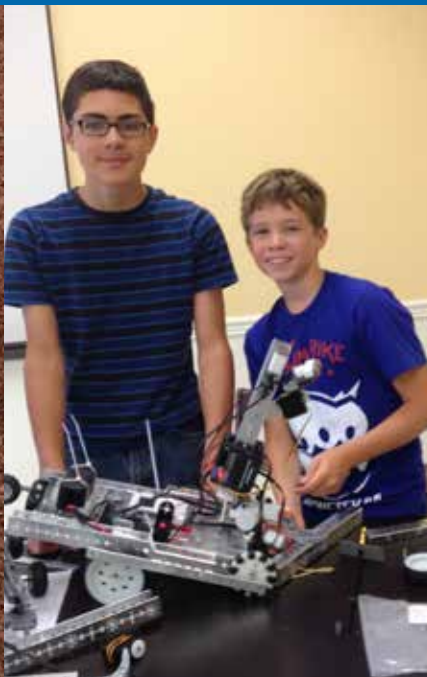

## **Martha Burns Swim School (Session 10: August 14 - August 18)**

Join us for a week of swimming lessons with Martha Burns Swim School! Campers will spend four days participating in a one hour swim lesson followed by 15 minutes of open swim time. Campers will be divided into groups by age and swimming ability.
