

Providence Academy

Lower School

Student Supply List 2017-18

Providence Academy purchases most of the supplies that your child(ren) will need during the school year. Please do not purchase additional supply items as we purchase specific materials that the teachers want the children to use at school. A \$90.00 supply fee will be charged to each child's account at the beginning of the school year. This fee will cover almost all student classroom needs throughout the year, including special projects or crafts at holiday times. Having Providence Academy purchase items at discount/bulk rates allows parents to avoid the hassle of searching multiple stores for specific items on the school supply list. Additionally, parents will not be asked to send in classroom supplies during the school year.

When purchasing student supplies (listed below) that are not provided by Providence, please pay special attention to the policy in the Providence Academy Handbook... *"In keeping with the spirit of the uniform policy, cartoons, photographs, and other images are not permitted on backpacks, lunch boxes, notebooks, etc."* Please remember that the policy pertains to lunch bags/totes, book covers, jackets, hats, mittens, etc. If you have any questions, please feel free to reach out to Mrs. Nancy Galgano at nancy.galgano@providenceacademy.org, or her assistant Mrs. Elizabeth McIntyre at elizabeth.mcintyre@providenceacademy.org.
