

School Overview, Mission, and Philosophy

Founded in 2001, Providence Academy is an independent, Catholic, co-educational pre-kindergarten through twelfth grade college preparatory school. All students share a 250,000 square foot Georgian colonial school building. The 42-acre campus is 11 miles northwest of downtown Minneapolis in the suburban city of Plymouth.

From the heart of our motto, “Faith, Knowledge, Virtue,” Providence Academy aims to develop habits of spirit, mind, and action to prepare students for future leadership in vocations and civic life. The faith and morals taught by the Catholic Church provide the foundation for time-honored training in the liberal arts and sciences. The curriculum’s rigor instills customs of discipline and assures both breadth and depth in students’ mastery of core knowledge that is the foundation for higher learning. Our mission is to educate clear thinkers, informed believers, and good citizens prepared to meet the challenges of American life in the 21st century.

The facilities and program reflect a threefold emphasis in academics, arts, and athletics. Learning spaces include modern classrooms, fully equipped science laboratories and computing labs, a metal and wood shop, a museum-quality Antiquities Gallery, and distinctive spaces for the performing and visual arts. A 650-seat, professional-quality performing arts center opened in 2017 and renovations to outdoor athletic venues, including a 1,500-seat artificial turf stadium, were completed in 2016.

Accreditation

Providence Academy received re-accreditation from the Independent Schools Association of the Central States (ISACS) in 2011.

College Application and Enrollment Statistics

- 97% of graduates attend 4-year colleges (2015-17)
- 72% enroll at out-of-state colleges (2015-17)
- 40% enroll at Catholic colleges (2015-17)
- 29% enroll at public colleges (2015-17)
- Average of six applications submitted per senior (2017)

Enrollment

Class of 2018: 74 students

Total Upper School: 314 students

Total PreK-12 Enrollment: 805 students

Marks and Course Weighting

The following grading system is used for all courses, including regular, honors, advanced, and college-level courses:

A	4.00	C	2.00
A-	3.67	C-	1.67
B+	3.33	D+	1.33
B	3.00	D	1.00
B-	2.67	D-	0.67
C+	2.33	F	0.00

Providence Academy does not assign a class rank. No courses are weighted for GPA calculation.

Upper School Facts

- 61% of Upper School teachers hold advanced degrees
- Average class size is 20 students
- 30% of students receive need-based financial aid
- Students reside in 51 distinct municipalities
- 66% of students are Roman Catholic

Providence Academy Academic Program and Testing Data

Upper School Curriculum

Providence Academy utilizes an independently designed curriculum. Students share liberal arts core courses in English, History, and Religion in common for all four years, assuring a solid formation and shared engagement with ideas. Honors level courses enable students with ambitions in particular disciplines to create multiple pathways to collegiate level studies. Please note the following aspects of our academic program:

- All students must enroll for seven credits per year
- Students are required to take three years of a world language, with at least two consecutive years in the same language
- Honors course placements are application-based and determined by the academic department chairs
- Advance College Credit (ACC) courses are offered through the University of Minnesota and Benedictine College. Courses noted with “ACC” on the transcript are equivalent to honors or advanced level courses
- PA provides the opportunity to graduate with Latin Honors using GPA, credit total, and number of honors/advanced courses as criteria

Curriculum Notes & Distinctive Programs

Advanced Placement - In keeping with the independent and intentional nature of our curriculum content, Providence Academy does not seek College Board's Advanced Placement (AP) designation for any advanced or senior level courses. At the same time, PA faculty support students enrolled in upper level English, History, Math, Physics, Art, and World Language courses in preparing for the corresponding AP exams.

Religion - Required all four years and demanding serious and scholarly engagement with Scripture and primary source texts in literature, philosophy, and theology, Religion courses feature the same academic demands as other required disciplines. Authors studied in religion courses include Aquinas, Aristotle, Augustine, A. Bloom, Boethius, Gandhi, Garrigou-Lagrange, and Tolstoy.

Soil Application Research Project (SARP) - SARP students contribute to a professional scientific research project by engaging in experimental design, implementation, data collection and analysis, and the preparation of high quality written summaries of findings. Students participate during the summers, as a club involvement, and/or by enrolling in Advanced Biology or Environmental Science Research.

Robotics and Engineering - Students can deepen the skills learned in math and science through participation in FIRST Robotics. Veteran robotics members also lead

Testing Data

2015-2017 Advanced Placement Exam Results

Total administered: 305 exams
Exams scored at 3 or above (*pass rate*): 80%
Exams scored at 4 or above: 50%
Total AP Scholars: 41 students

National Merit, Achievement and Hispanic Scholar Competitions (Percentage of class recognized)

Class of 2016 - 9%
Class of 2017 - 13%
Class of 2018 - 8%

ACT Scoring, Classes of 2015-2018

Mid 50% Composite Score Range: 25-31
Composite Mean Score: 28

SAT Scoring, Classes of 2015-2018

Mid 50% SAT 2400 Score Range: 1680-2090
Mid 50% Revised SAT EBRW Score Range: 610-720
Mid 50% Revised SAT M Score Range: 590-720

the middle school's FIRST Tech Challenge team. Two full-year Engineering electives introduce students to design thinking, programming, and a fully equipped metal shop.

Visual Art - While pursued as electives, PA's visual art courses provide intensive training in drawing techniques and the sophisticated development of ideas in all artistic media. Students in Studio Art IV complete a flexible curriculum intended to enhance their senior portfolio and have the option to prepare for the AP Studio Art exam.

Performing Arts - Students in the music and theater programs may enroll in their arts courses at the honors level based on high proficiency, deeper participation, and success at MSHSL contests. The audition-based Chamber Choir is among a small number of school choirs selected to perform at the annual conventions of both the American Choral Directors North Central/Central Division and the Minnesota Music Educators Association.

Student Conduct & Non-Disclosure Policy

Any student on track to graduate in good standing receives the full and unqualified endorsement of the faculty and administration. Providence Academy faculty and staff do not generally disclose an admission candidate's past disciplinary consequences short of expulsion—including detentions and suspensions. We expect our students to disclose their disciplinary history when it is required of them in college or scholarship application processes.

Providence Academy Curriculum for the Class of 2018

	Grade 9	Grade 10	Grade 11	Grade 12	
English *Honors first introduced in 2017-2018*	British Literature	American Literature	Classical Literature	Senior English Seminar <i>Senior English Seminar Honors</i>	
History *No honors courses offered*	Ancient, Classical, and Medieval Worlds	U.S. History I (1492-1877)	U.S. History II (1877-Present)	Modern Western Civilization	
Religion	Introduction to the Creed	Moral Theology	Elements of the Christian Life <i>Elements of the Christian Life ACC</i>	Reason & Revelation <i>Reason & Revelation Honors</i> <i>Reason & Revelation ACC</i>	
Science (see Note 1)	Chemistry <i>Chemistry Honors</i> Introductory Earth Science	Biology <i>Biology Honors</i>	Physics <i>Physics Honors</i>	Earth & Space Science <i>Advanced Biology</i> <i>Advanced Chemistry</i> <i>Advanced Physics</i>	
Mathematics	Algebra I, <i>Algebra I Honors</i> Algebra II Fundamentals, Structures of Algebra II Algebra II, <i>Algebra II Honors</i> Geometry, Geometry and Trig., <i>Geometry and Trig. Honors</i> Data Analysis		Pre-Calculus, <i>Pre-Calculus Honors</i> Calculus I, <i>Calculus I Honors</i> Probability & Statistics <i>Calculus II</i>		
World Language (see Note 2)	French I, II, III, IV, <i>French IV Honors, Advanced French</i> Spanish I, II, III, IV, <i>Spanish IV Honors, Spanish IV ACC, Advanced Spanish, Advanced Spanish ACC</i> Latin I, II, III, Latin Poetry, Latin Prose, <i>Latin Poetry ACC, Latin Prose ACC</i>

Team Sports Indiv. & Dual Sports Introduction to Golf Strength & Cond'ing	<u>Fine Arts (0.5 cr)</u> Acting Directing Intro. to Theater Photography I, II <u>Fine Arts (1.0 cr)</u> Academy Chorale <i>Chamber Choir Honors</i>	<u>Fine Arts cont'd</u> Music Consortium <i>Music Consortium Hon</i> Publications Studio Art I, II, III, IV Symphonic Band <i>Symphonic Band Hon</i> <i>Thtr & Acting Honors</i> <i>Thtr & Directing Hon</i>	<u>Dept. Electives (0.5 cr)</u> Biotechnology Critical Thinking Skills Current Events Debate I, II Env. Sci. Research I, II Foods&Nutrition I, II History of Western Art Philosophy	<u>Dept. Electives (1.0 cr)</u> Econ./Accounting Journalism Prin. Engineering I, II

Italics denote an honors, advanced, or Advance College Credit (ACC) course.

Note 1: The standard science sequence begins with Chemistry in Grade 9. Alternate sequences are possible based on year of PA entry and student scheduling needs. Students may take Introductory Earth Science in Grade 9 if their mathematics placement requires a delay before taking Chemistry.

Note 2: Latin Poetry and Latin Prose are distinct courses in scope and rigor from Latin Poetry ACC and Latin Prose ACC. Students who complete Latin Poetry or Prose and later enroll in the similarly named ACC Latin course do not repeat any work.

Graduation Requirements

Religion: 4 credits
 History: 4 credits
 English: 4 credits
 Mathematics: 3 credits
 Science: 3 credits
 World Language: 3 credits
 Senior Core Options: 2-3 credits
 Physical Education: 1 credit
 Fine Arts: 1 credit
 Electives: 2-3 credits

TOTAL: 28 credits

Other Curriculum Information

Oratio - This graduation requirement for seniors entails the research, preparation, and delivery of a senior speech before a panel of faculty judges and an assembly of the junior and senior classes.

Online Learning Options - PA offers accredited, NCAA-approved online elective courses through Virtual Schools of Excellence. For online courses to earn credit and appear on the PA transcript, formal assessments must be completed on campus and proctored by a PA faculty or staff member. Online courses expand the PA curriculum to include subjects such as Computer Science, Criminology, Psychology, Marketing, Finance and more.
