

Providence Academy Drop Off and Pick Up Procedures

- All vehicles should enter through the main driveway.
 - LS traffic should make an immediate right turn (follow blue arrows). Line up at the Southeast lot, next to the East fields and the curb with sidewalks. Move slowly alongside the East fields and Southeast curbs toward the main entry. For safety reasons, LS students may not walk unescorted through the parking lot or along the east field curb.
 - MS/US traffic should go straight (follow yellow arrows) and then turn left towards the West entrance.
- When alongside any curb, please remain in your vehicles and be vigilant for possible pedestrians near your car.
- For pick up, please follow the same flow of traffic as drop off.
- If parents/drivers plan on speaking with someone inside the school or meet their students on the walkway, please park in the lot. Do not leave unattended vehicles at the curb. Adults should only meet students in the carpool line or at the front entry of the building (inside or outside). Please do not stand on the sidewalk on the East or West sides of the building, as doing so will impede the movement of students along the sidewalk. It is permissible to stand and wait in the area directly in front of the main entrance.
- Please note that the only access to the North (senior) lot is via the East driveway by the softball field.
