

# PA Boys Middle School Rec. Basketball

The goal of the Middle School basketball programs is to teach our student-athletes the game of basketball and have fun doing it!

We will have 2-4 contacts a week with practices after school and games during the week or weekends depending on the grade level and flexibility of our coaches.

We plan to have our 5th-7th grade play in the In-house MYAS tournaments this year on the weekends to help our players keep up with their academics, play better competition, and allow parents to set schedules for other extracurricular activities, holidays and travel plans.

## **5th grade-7th grade:**

**League:** In-House MYAS Tournaments

**Dates for Tournaments (3 game minimum, same day):**

**Cost:** Covered in signup fee based off 10 players per team

\*18 games total
