

2017-2018 EMERGENCY SCHOOL CLOSING NOTIFICATION SYSTEM

Dear Providence Academy Parents,

In the event of an emergency school closing, Providence Academy will notify parents via the Emergency Notification Service. This service will allow Providence Academy to send a telephone message to ALL of our families within moments of an emergency closing or urgent matter at the school.

We ask that parents only provide their personal home, cell and work numbers. Completed forms should be returned to the Administration Office.

- Important:**
- (1) The system can only accept direct dial numbers.
 - (2) Please write your numbers carefully and legibly.
