Welcome to Summer at Providence Academy

All of us at Providence Academy are excited to invite you and your family to experience a variety of enriching and fun experiences for students age 5 through the Class of 2018. Participants do not need to be enrolled at Providence Academy to participate and may register for one activity or several. The P.A.L.S. Camp is an excellent option for students, age 5 through entering grade 6, who want a full-day camp experience.

We promote active learning in a safe and comfortable environment by providing quality content, excellent instructors, and a focus on faith in God and moral character. Most activities take place on the school's beautiful 42-acre campus, conveniently located in Plymouth, allowing students to take advantage of the outstanding available resources, including a synthetic mutli-sport field and state-of-the-art performing arts center.

Many of our programs reach enrollment capacity, so we encourage you to register as soon as possible at www.providenceacademy.org/summer.

We look forward to being a part of your summer!

TECH TAC TOE

Technological literacy is becoming as important as knowing how to read and write. Tech Tac Toe's mission is to spread this knowledge through high quality classes that motivate and get young minds excited about technology, computers and science.

Classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life-skills such as problem solving, logic, and creativity. Programs are presented in a kid-friendly way and tailored to their abilities. We make great use of video game programming and other fun computer-based programs, as it allows children to learn the way they learn best: by playing! All Tech Tac Toe students should bring a snack and beverage.

Roblox Game Development

In this advanced Roblox Game Design Camp, students will learn how to create and develop multiplayer games using the Roblox Studios Software. Kids will use an asset library to create a Capture the Flag game. By the end of this class, students will have a game ready to share with friends, and the skills and knowledge required to continue their exploration of game development at home. Note: Basic Windows and keyboarding skills required.

Academics

CUSTOMIZED ACADEMIC ENRICHMENT

During the school year, Providence Academy faculty work to instill a love of learning, along with habits of virtue, that will help students meet the challenges of education and of life beyond the school’s walls. We’re pleased to continue that work during summer months by offering an array of customized, one-on-one opportunities, designed to meet the needs of individual students as they further develop academic skills and confidence in their own abilities.

Language of Math with Ms. Behrens

JUST ADDED!

Students will review their math concepts (Pre-Algebra and above) and work to understand the language of math in one-on-one tutoring sessions. This is an excellent way to keep up on all necessary skills for future math classes. Minimum of six sessions.

OAK SAVANNA ECOSYSTEM RESEARCH PROJECT

Interested in scientific research? Want to gain experience doing real ecological fieldwork outside at one of the most influential field stations in the USA? This summer, join Dr. Boldt at Cedar Creek Ecosystem Science Reserve in East Bethel and get your hands dirty working with University of Minnesota researchers to answer questions about ecosystem ecology! The focus will be on the oak savanna, an ecosystem of conservation importance that is home to a wide variety of unique plants and animals. You will work in small groups to design research projects, collect and analyze data, and investigate all aspects of the savanna ecosystem, from the roles fire and water play in shaping the landscape to the ecology of the wildlife that live there. Cost includes transportation between Providence Academy and Reserve.

SOIL APPLICATION RESEARCH PROJECT

This summer, the Soil Application Research Program will track the effects of fertilizer, compost, biochar, and a novel soil amendment known as “Precision Organics Test Product” (POTP) on the growth of river birch trees and swamp white oak trees growing on Providence Academy property. Additionally, we will determine the timeline in which nitrogen becomes available to plants for different soil amendments. Students participating in this program will engage in multiple phases of the scientific research process, including experimental design, data collection and statistical analysis. Our interest in this project is to examine how fertilizers, composts, and other products, impact soil microbes, and how these products impact the quality of soils for growing flowers, trees, and vegetables in urban landscapes.

Key Information - All Camps

GENERAL INFORMATION

Contact Information

Questions regarding Providence Academy Summer Programs may be directed to Dawn Schommer, Manager of Auxiliary & Development Programs at (763) 258-2516 or Dawn.Schommer@ProvidenceAcademy.org.

Location

Providence Academy is located at 15100 Schmidt Lake Road in Plymouth, 55441. Specific room and facilities assignments will be communicated via an email reminder sent one week before the start of each activity. Information will also be posted inside the main entrance of the building.

Registration Deadline

Registration is open through May 10 at providenceacademy.org/summer.

Summer Program Dates

Summer Programs are offered weekdays June 11 through August 10. P.A.L.S. Full-Day Camp offers an additional session August 13-17. In observance of the Independence Day holiday, no programs will be conducted on Wednesday, July 4.

POLICIES & PROCEDURES

Absences

Tuition will not be prorated or refunded due to school closings, family vacations or conflicting activities. If a student is asked to withdraw from an activity because of inappropriate conduct, a refund will not be issued. A refund for medical reasons is applicable for absences of two days or longer, and a doctor's note is required.

Attire

Participants and staff are required to dress appropriately. Clothing must be neat, clean, modest, and free of offensive advertisements and slogans. Participants that dress outside of these expectations may be required to change into more appropriate attire.

Cancellation Policy

Providence Academy reserves the right to cancel any offering and will make every effort to notify families at least two weeks prior to the start date. In the event of cancellation, participants will have the option of applying the tuition toward another offering or obtaining a full refund.

Comportment

Providence Academy promotes respect among individuals and does not tolerate foul or threatening language, harassment or bullying. Students may be asked to withdraw from the program if this policy is violated.

Drop-Off and Pick-Up Procedures

All students are expected to be present at the appropriate meeting location at the start of the activity and must be picked up by the end of the activity. Providence Academy reserves the right to charge a late pick-up fee in the event a child is not picked up by the end of the session time. The fee is \$1 per minute, per child.

Emergency Contact & Medical Information

Registration must include emergency contact and medical information to be considered complete. Authorization for administration of medication is also required, if applicable.

Key Information - All Camps

Min/Max Number of Participants & Waitlist

Each camp has a minimum and maximum number of participants and these requirements vary from activity to activity. A minimum number of participants is required in order for an offering to be conducted; the activity is subject to cancellation if it does not reach the required number of participants. The maximum number of students is determined based on the type of camp and the appropriate student to teacher ratio, so that all participants may gain the full experience of the camp; a waitlist is available for activities that reach the maximum number of participants.

Payment

Payment in full is required at time of registration; a \$25 fee will be assessed for payment that cannot be processed because of insufficient funds or a declined credit card.

Photographs

Providence Academy, its official representatives and assigns, have the irrevocable and unrestricted right to use and publish photographs of all the Providence Academy Summer Activities participants for editorial, trade, advertising, and any other purpose and in any manner and medium. Providence Academy and its official representatives and assigns are released from all claims and liability relating to said photographs.

Supervision

All students in the building must be under adult supervision. If there is a span of one hour or less between two consecutive activities that your child (age 5 - entering grade 6) is registered for, he/she may participate in the P.A.L.S. Camp for a fee of \$10/hour.

Weather

If a session must be cancelled due to inclement weather, or any other unforeseen circumstance, the instructor will contact participants regarding the cancellation.

Withdrawal & Refund Policy

If your plans change and you wish to withdraw registration before May 10, the tuition, less a \$50 administrative fee, is refundable. To ensure staffing and program commitments to all families, no refunds will be granted after that date, including withdrawals due to vacation schedules, change of plans, or conflicting activities.

Phone withdrawals are not permitted. Withdrawals must be submitted in writing to Dawn Schommer, Manager of Auxiliary & Development Programs, at dawn.schommer@providenceacademy.org
