Spend your
summer
with us!

Welcome!

All of us at Providence Academy are excited to invite you and your family to experience a variety of enriching and fun experiences for students age 5 to those in the Class of 2019. Participants do not need to be enrolled at Providence Academy to participate and may register for one activity or several. The PALS Camp is an excellent option for students, age 5 through entering grade 6, who want a full-day camp experience.

We promote active learning in a safe and comfortable environment by providing quality content, excellent instructors, and a focus on faith in God and moral character. Most activities take place on the school's beautiful 42-acre campus, conveniently located in Plymouth, allowing students to take advantage of the outstanding available resources, including a synthetic multi-sport field and state-of-the-art performing arts center.

Many of our programs reach enrollment capacity, so we encourage you to register as soon as possible at www.providenceacademy.org/summer.

We look forward to being a part of your summer!

Dawn M. Schommer
Manager of Auxiliary & Development Programs

Activities & Arts

Lunch Layover!

All students (age 5 - entering grade 6) must be under adult supervision on the Providence Academy campus. If there is a span of one hour or less between two consecutive activities that your child is registered for, he/she may bring a bag lunch and attend PALS for a fee of \$10/hour. Register for Lunch Layover in the PALS section at providenceacademy.org/summer.

Activities & Arts

Popular! A.I.M. (ACHIEVE IN MIDDLE SCHOOL)

Want to learn ways to Achieve In Middle School? Would you like a head start on learning about various aspects of Providence Academy's Middle School before the school year begins? If so, then this camp is for you! Participants will also learn helpful tips on ways to be a successful student and transition into Middle School. A.I.M. high and join this camp!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
6-8	Jul 29-Aug 1 9:00 AM-12:00 PM	Mon-Thu	\$168	Mrs. Teresa Claypool, Providence Academy Middle School Dean of Students	E01

ABRAKADOODLE

Abrakadoodle art education helps kids soar into the amazing universe of the visual arts. Creative and fun classes offer a thrilling format for art exploration. Students are introduced to a wide variety of mediums and are encouraged to express themselves through their artwork in a supportive, positive and self esteem-building atmosphere. Lessons, taught by professional and caring art teachers, are engaging and fun. And, best of all, you get to leave the mess with us! All Abrakadoodle students should bring a snack and beverage and wear recess attire.

Bedazzled

Do you love art and things that dazzle and sparkle? Then this is the camp for you! We'll draw, paint, make sparkling paper mache hearts, sculpt glittery clay flower bowls, make cool accessories to wear, and other dazzling projects. Along the way we'll listen to music, paint our nails and have lots of fun!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 4	Jun 17-20 1:00-4:00 PM	Mon-Thu	\$128	Member of the Abrakadoodle team	E02

Big Sparkly Camp of Unicorns

Join the craze for unicorns in this creative camp where we'll create several magical unicorn projects like a unicorn stuffie, a unicorn charm and even oopsie sparkly slime, along with adorable art projects from painting on canvas to a whimsical collage.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 4	Jul 22-25 1:00-4:00 PM	Mon-Thu	\$128	Member of the Abrakadoodle team	E03

Fun Drawings Unleashed

More than just an ordinary drawing program! In this amazing and fun camp, we'll learn how to draw all sorts of things, from animals to your favorite character and everything in between. We'll use easily recognizable shapes to create faces, landscapes, funny animals and even cartoons. And we'll have fun creating a flipbook to learn how to animate.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 4	Jun 10-13 1:00-4:00 PM	Mon-Thu	\$128	Member of the Abrakadoodle team	E04

Paint Galore

It's time to roll up our sleeves and have fun creating with color! In this artsy camp, we'll explore our creativity painting awesome masterpieces while using a variety of art techniques, such as multimedia painting, painting on canvas, and using watercolors. We'll have a blast mixing colors to bring our creations to life, and paint animals and landscapes, among other fun projects.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 4	Aug 5-8 9:00 AM-12:00 PM	Mon-Thu	\$128	Member of the Abrakadoodle team	E05

Pikachu and Pokémon Art Fun!

Are you a Pokémon fan? Then this amazing art camp based on the movie and hit series is for you. Come to this camp and have a great time as you explore your creative side by bringing virtual designs to life! We'll learn how to draw, paint, collage and sculpt creatures from Pokemon.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 5	Aug 5-8 1:00-4:00 PM	Mon-Thu	\$128	Member of the Abrakadoodle team	E06

New! CARD MAKING

Learn different techniques using papercrafting to create greeting cards. Participants will take home an assortment of artfully handmade greeting cards they can use for various future occasions, such as birthdays, thank you, congratulations, sympathy, get well, etc. What a great keepsake for loved ones and friends alike!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-5	Jul 29-Aug 2 10:00 AM-12:00 PM	Mon-Fri	\$150	Mrs. Mary Anne von Dohlen, Providence Academy Parent & Summer Programs Instructor	E07

COMPUTER PROGRAMMING

In this four-day camp, students will learn fundamental programming and logical computational thinking skills. They will use the skills in the ALICE programming environment to create interactive programs and games. ALICE was developed at Carnegie Mellon and uses 3-D programming to allow beginning programmers to produce simple animations. Learning computer programming has never been so much fun! Camp cost includes flash drive with program loaded, so students can continue to work and learn at home.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-6	Jun 17-20 1:00-4:00 PM	Mon-Thu	\$150	Mrs. Claire Roden, Providence Academy Technology Instructor	E08

Activities & Arts

DISCOVER MAGIC

Students will learn original magic tricks, developed by some of the top thinkers in magic today. The magical part about this class is that life skills such as public speaking, self confidence, and respect are integrated into the curriculum. Aside from magic tricks, students will understand how math, art and science can be a part of magic. Students will receive a backpack, magic tricks, and other fun items to take home. There will be a magic show on the last day of class at 3:00 PM and families and friends are invited to attend!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jul 29-Aug 1 12:30-3:30 PM	Mon-Thu	\$195	Hudson the Magician	E09

DRIVER'S EDUCATION

This 30-hour program will be conducted by a certified instructor from A+ Driving School and fulfills the state driver's education requirement. The course will address the "how-tos" and "whys" of safe driving. The format of the class will be lecture and active discussion. After completion, students will be able to setup and participate in behind-the-wheel sessions (included in cost) to meet the six-hour state requirement.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 14+	Jun 10-21 9:00 AM-12:00 PM	Mon-Fri	\$395	A+ Driving School Certified Instructor	E10
Age 14+	Jul 15-26 1:00-4:00 PM	Mon-Fri	\$395	A+ Driving School Certified Instructor	E11

ENGINEERING FOR KIDS

Engineering For Kids brings science, technology, engineering, and math (STEM), to kids in a fun and challenging way and inspires children to build on their natural curiosity by teaching engineering concepts through hands-on learning.

3D Printing & CAD Modeling

Students will be learning the ropes of 3D modeling and printing. They will get to use 3D pens to understand printing in plastic. We'll learn to use CAD (computer-aided design) software through specially crafted lessons and students will go home with files they can send to a third-party 3D printer service.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jun 10-13 1:00-4:00 PM	Mon-Thu	\$138	Member of the Engineering for Kids team	E12

New! Coding Drones Camp

Take to the skies with mini drones! Housing a thrilling, hands-on aerial robotics platform, this camp is the perfect introduction to the world of unmanned aerial vehicles (UAVs). In this indoor camp, safety is a priority as students learn to fly while exploring the real-world applications of drones. Campers go through Droneology, the online drone education platform, master basic piloting skills, construct an obstacle course to fly through and stage a final race to showcase their cumulative knowledge. Putting critical thinking to the test, the camp also has students brainstorm ways drones could be used for good, and sketching out their ideas for new and innovative drones and drone uses.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-8	Jun 10-13 9:00 AM-12:00 PM	Mon-Thu	\$150	Member of the Engineering for Kids team	E13

New! Disaster Engineering

Hurricanes, tornadoes, and other destructive weather events highlight the role of engineers in improving forecasts and reducing the toll from natural disasters. Brainstorm ideas and then use the Engineering Design Process to design, create, test and refine projects to avoid or minimize the impact of natural disasters by guiding search and rescue robots, measuring wind speeds and designing sturdier buildings.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-8	Jul 22-25 1:00-4:00 PM	Mon-Thu	\$138	Member of the Engineering for Kids team	E14

New! Famous Architecture Camp

Enter the world of famous structures and design! Travel the globe learning how ancient architectural breakthroughs led to the fundamental design elements we know today. From walls and arches to post-and-lintel building techniques, use bricks each day to construct and learn how similar design elements evolved at the same time in different societies around the world. After the foundation's been poured, discover and replicate some of the most famous structures in history while learning how different societies tackled the stylistic, artful and structural considerations of construction and architecture. Put your hand to work and construct a love for STEM!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jun 24-27 1:00-4:00 PM	Mon-Thu	\$138	Member of the Engineering for Kids team	E15

New! Ocean Exploration Camp

In this incredible camp, students journey from the tropics to the poles, inspect arctic food webs, simulate coral reef adaptations and survey everything from the great river deltas to the Mariana Trench. They collaborate to bring the California sea otter back from the brink of extinction and track great white sharks across the open ocean, learning and answering important sea-dwelling questions about the variety of the oceans and the differences in ecosystems. Through action-packed activities, learners discover the physical and geological sciences that underpin all ocean life like density, buoyancy, heat transfer, plate tectonics and the water cycle. In Ocean Exploration Camp, STEM education is your oyster!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jul 8-11 1:00-4:00 PM	Mon-Thu	\$138	Member of the Engineering for Kids team	E16

Activities & Arts

Popular! Survivor Island

Students will find themselves stranded on an abandoned island filled with perilous obstacles--dark caves, wild animals, cold temperatures, little food, and separation from the comforts of home. They will work collaboratively with their tribe members to compete against other tribes in specific engineering-related projects that are aimed at trying to survive the harsh island conditions and escape to their freedom. The tribe with the most points at the end of the week will claim the honor of being the winners of Survivor Island!

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-7	Aug 5-8 1:00-4:00 PM	Mon-Thu	\$138	Member of the Engineering for Kids team	E17

EXPLORING AMERICAN ART

This four-day experience will take an in-depth look at the history of American Art, from the Colonial to the Modern Era, including a small research project. On Tuesday, students will visit the Minnesota Museum of American Art, which showcases the unique voice of American artists from the 19th century to the present. The next day, participants will visit the Minneapolis Institute of Art, a museum that inspires wonder with one of the finest wide-ranging art collections in the country.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-7	Jul 8-11 12:30-2:30 PM	Mon-Thu	\$150	Mr. Ian Skemp, Providence Academy Upper School History Teacher	E18

New! HAND LETTERING

Learn beautiful calligraphy using the versatile Crayola marker! We will explore the strokes of each letter of the alphabet in order to create amazing hand written compositions.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
6-8	Aug 5-9 10:00 AM-12:00 PM	Mon-Fri	\$150	Mrs. Mary Anne von Dohlen, Providence Academy Parent & Summer Programs Instructor	E19

HISTORY OF MINNESOTA

A camp adventure (students may register for one or both weeks) that explores the early (pre-statehood) history of the State of Minnesota, including amazing stories about fur trappers, Jesuits, the War of 1812, railroads and public transit. Campers will take field trips to a number of important sites and take photographs during the outings. They'll work together in small groups to collaborate on a photography research project to share their favorite aspects of their Minnesota history experiences. Please bring a camera or photography device.

Session 1 field trips include Fort Snelling, a National Historic Landmark and the first major military post in the region, significant for its later history in the development of the United States Army; Wayzata Depot, constructed by James J. Hill's Great Northern Railroad in 1906 and listed on the National Register of Historic Places; and Oliver Kelly Farm, a traditional 1860s farm.

Session 2 field trips include Mill City Museum, built within the ruins of what was once the world's largest flour mill; the James J. Hill House, the Gilded Age mansion of "The Empire Builder"; and Minnesota History Center, a museum and library that serves as the headquarters of the Minnesota Historical Society.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-7	Session 1: Jun 17-20 12:30-3:30 PM	Mon-Thu	\$185	Mr. Ian Skemp, Providence Academy Upper School History Teacher	E20
4-7	Session 2: Jun 24-27 12:30-3:30 PM	Mon-Thu	\$185	Mr. Ian Skemp, Providence Academy Upper School History Teacher	E21

Popular! INSTRUMENTAL LESSONS

30-minute private instrumental lessons on flute, clarinet, saxophone, trumpet, horn, trombone, baritone, tuba, or percussion. Learn from a talented instructor whose experience includes leading wind bands at all levels and teaching competitive field marching band, studio rock band, and music history and who currently directs PA's Upper School Symphonic Band and provides all Upper School wind and percussion lessons. Minimum of 3 lessons, maximum of 7.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
4-12	Jun 18-Jul 30 8:30 AM-12:30 PM	Tue	\$25/ lesson	Mr. Thomas Jones, Providence Academy Upper School Band Director	E22

*Register for lessons online and contact instructor directly at Thomas.Jones@providenceacademy.org to arrange lesson times.

New! KINDLING THE FIRE WITHIN: HOW TO GO DEEPER IN PRAYER AND DETACHMENT

Join Mrs. Jendro in reading and discussing Fr. Tomas Dubay's book *The Fire Within*, a modern and easily-understandable explanation of the teaching on prayer from the Gospels, and by the spiritual masters on prayer—St. Teresa of Avila and St. John of the Cross. These insights are for everyone, and with the help of Fr. Dubay's book and Mrs. Jendro's guidance, are accessible to any student who desires to go deeper in their relationship with Christ. Topics include the lives of St. Teresa of Avila and St. John of the Cross, types and levels of prayer, conditions for growth, freedom through detachment, the universal call to holiness, and union with God.

Over the course of six weeks, students will learn how to go deeper in prayer and grow in virtue, as well as apply the topics of the book to their personal lives through our weekly conversations and discussion. Note: Students must purchase their own book (available through Amazon).

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Grade 9-Class of 2019	Jun 20-Aug 1* 10:30 AM-12:00 PM	Thu	\$75	Mrs. Angela Jendro, Providence Academy Middle and Upper School Religion Teacher	E23

*No session on Thursday, July 4.

Activities & Arts

LIVING THE CHRISTIAN LIFE BIBLE STUDY

We will use Holy Scripture to learn how to live a holy and happy life as a young Christian and grow to become the saint that God calls each of us to be.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
2-6	Jun 17-20 9:00 AM-12:00 PM	Mon-Thu	\$138	Mr. Brian Dudley, Providence Academy Lower School Teacher	E24

MUSICAL THEATRE CAMP - SHREK THE MUSICAL, JR.

Lights...Camera...Action! Explore musical theatre by rehearsing theatrical skills, how to collaborate with other performers, and develop techniques for memorizing material and commanding a stage. One-week and two-week options are available. Attendance is required every day. All participants will show off their acting skills on Friday, July 19, at 2:00 and 7:00 p.m. performances, which are open to the public! Students should bring a bag lunch each day.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-10	Jul 15-19 10:00 AM-2:00 PM	Mon-Fri	\$395	Mrs. Melissa Simmons, Providence Academy Theatre Instructor	E25
3-10	Jul 8-19 10:00 AM-2:00 PM	Mon-Fri	\$595	Mrs. Melissa Simmons, Providence Academy Theatre Instructor	E26

TECH TAC TOE

Technological literacy is becoming as important as knowing how to read and write. Tech Tac Toe's mission is to spread this knowledge through high quality classes that motivate and get young minds excited about technology, computers and science.

Classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life skills such as problem solving, logic, and creativity. Programs are presented in a kid-friendly way and tailored to their abilities. We make great use of video game programming and other fun computer-based programs, as it allows children to learn the way they learn best: by playing! All Tech Tac Toe students should bring a snack and beverage.

New! Coder Squad - Robots & Video Game Programming

New to coding? This is the perfect camp for you! Learn to program a robot and take home a fun video game programmed by you! Using a friendly programming language developed by MIT, tip toe into the powerful world of programming as you program a video game and a robot with artificial intelligence. An amazing camp to develop a great love and interest in programming. Basic Windows and keyboarding skills recommended.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
2-5	Jun 24-27 9:00-11:55 AM	Mon-Thu	\$131	Member of the Tech Tac Toe team	E27

New! Fortnite Game Design

Don't just play Fortnite, learn the game engine used to create the game! This class explores designing and building your own creative ideas. Make your own scenery and landscape using Fortnite-inspired assets. Note: Students must have experience playing Fortnite, but there is no Fortnite gaming in this camp. Basic Windows, keyboarding and mouse skills required. Bring a USB jump drive to save your work.

Activities & Arts

YOUTH TECH INC.

Youth Tech is a non-profit computer camp, dedicated to providing enrichment opportunities for students with a passion for learning. Courses give students the opportunity to explore the edges of their imagination.

Animation

Perfect for students with a big imagination! Learn the basics of animation and digital design. Classroom instruction will utilize award winning animation software and guide students through the development of several unique animation projects. Students will create fun, interactive animations that they can share with the world.

5-10	Aug 5-8 1:00-4:00 PM	Mon-Thu	\$150	Member of the Youth Tech Inc. team	E32

New! Roblox Studio - Programming and Game Development

Calling all ROBLOX users! Join in with millions of gamers and immerse yourself in your own 3D world! Roblox Studio is a 3D-based program that uses physics, LUA programming, and individual creativity to build a world around you, and your avatar--unlike any other software. This course will guide students through concepts such as beginner physics, LUA programming, and game development. Students in this course will build and publish their multi-player game to share with friends and family!

GIRLS BASKETBALL SKILLS

Providence Academy Girls Basketball Program Head and Varsity Head Coach, Conner Goetz, has designed this great summer skills program, catered to the player's age and ability. Sessions will consist of skill development drills (shooting, dribbling, passing, footwork) and individual offensive skills—all focused on improving fundamentals. Basketballs will be provided by Providence Academy. Players are encouraged to register for as many weeks as they wish.

New! "ORA ET LUDE" SPORTS CAMP

A great alternative for too much summer screen time! "Play and pray" at this brand new sports camp. Boys and girls will enjoy the opportunity to play like kids and participate in "pick-up style" games, such as soccer, basketball and others, that develop skill and coordination. At the same time, they'll learn many of the values of Providence Academy Athletics, including the virtues of being a Christian athlete, how to show respect for all participants in a game, to accept victory and defeat with equal grace, and how the power of athletics can develop character and faith that will serve them well for life. Students may register for as many weeks as they wish.

SKYHAWKS

Full of interaction and excitement, Skyhawks' camps provide great fun for everyone and are known to have a festival-like atmosphere. The most incredible part of a Skyhawks Sports camp is that the children forget that they are learning valuable sport and life skills because those lessons are so well integrated with friendly and fascinating play. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen.

Mini Hawk Camp

This t-ball, basketball, and soccer program gives children a fun and positive first step into athletics. Through games and activities, campers explore balance, hand/eye coordination, and skill development at their own pace. Skyhawks will provide all necessary equipment for program.

Athletics

STRENGTH & CONDITIONING

Participants will be introduced to a broad spectrum of training programs including strength training, cardiovascular endurance training, body-weight plyometric training, and linear and non-linear speed and agility development. Sessions will utilize various areas of the PA campus and other surrounding areas to differentiate conditioning; participants should meet at Providence Academy's Mithun Field on the first day of the session.

7-Class of 2019	Jun 17-Jul 25* 8:00-9:30 AM	Mon-Thu	\$250	Coach Brad Horstman, Providence Academy Softball Head Coach	ATH13

*No sessions on July 4, 15-17.

TRACK & FIELD CAMP

This sports performance camp focuses on speed, agility and quickness. The camp integrates sprinting and block work along with relays, speed and agility drills, plyometrics, long jump and minimal mid-distance running. The session also covers the importance of stretching, warm-ups, goal setting for physical fitness, and nutrition tips. Ready...set...sign up today! This camp will take place on the Track and Mithun Field at Providence Academy.

Academics

Popular! CUSTOMIZED ACADEMIC ENRICHMENT

During the school year, Providence Academy faculty work to instill a love of learning, along with habits of virtue, that will help students meet the challenges of education and of life beyond the school's walls. We're pleased to continue that work during summer months by offering an array of customized, one-on-one opportunities in hourly blocks, designed to meet the needs of individual students as they further develop academic skills and confidence in their own abilities. Dates and times listed indicate the instructors availability; work with them directly to schedule individual sessions.

Academic Enrichment with Mrs. Welch

Each session will be customized to meet the needs of the student in any academic area. Minimum of three sessions.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jun 19-Aug 7 10:00 AM-1:00 PM*	Wed	\$70/ hour	Mrs. Rebecca Welch, Providence Academy Lower School Teacher	A07

*Register for this academic enrichment class online and contact instructor directly at Rebecca.Welch@providenceacademy.org to arrange specific dates and times.

Language of Math with Ms. Behrens or Ms. Greene

Students will review their math concepts (Investigations and above) and work to understand the language of math in one-on-one tutoring sessions. This is an excellent way to keep up on all necessary skills for future math classes. Minimum of six sessions. Instructor assigned based on schedule availability.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
7-12	Jun 17-Aug 8 9:00 AM-3:00 PM*	Tue/Wed/ Thu	\$70/ hour	Ms. Julie Behrens and Ms. Erika Greene, Providence Academy Upper School Mathematics Teachers	A03

*Register for this academic enrichment class online contact instructor directly at julie.behrens@providenceacademy.org to arrange specific dates and times.

Math Enrichment with Mrs. McElroy

Students will review math concepts and build confidence in their math abilities in these one-on-one tutoring sessions. This is an excellent way to enrich skills in this subject area! Minimum of five sessions.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
3-6	Jun 17-Aug 6 8:00 AM-6:00 PM*	Mon/Tue	\$70/ hour	Mrs. Kristine McElroy, Providence Academy Lower School Teacher	A04

*Register for this academic enrichment class online contact instructor directly at Kristine.McElroy@providenceacademy.org to arrange specific dates and times.

Reading and Math Enrichment with Mrs. Steinbrueck

Does your child need that little extra academic "boost" during the summer months? One-on-one Reading and Math Enrichment sessions are a great way of helping your child to maintain and enrich skills during the summer. Mrs. Steinbrueck specializes in phonics and comprehension skills and all areas of math. Minimum of five sessions.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
Age 5-Grade 5	Jun 17-July 30 8:00 AM-4:00 PM*	Mon/Tue	\$70/ hour	Mrs. Robyn Steinbrueck, Providence Academy Lower School Teacher	A01

*Register for this academic enrichment class online contact instructor directly at Robyn.Steinbrueck@providenceacademy.org to arrange specific dates and times.

Academics

CUSTOMIZED ACADEMIC ENRICHMENT (CONTINUED)

Research Skills Workshop with Mr. Skemp

You've been assigned a research project for school. What do you do? What is the first step? Should you go to the library? How do you know what, where, and how to look for sources? What then? The process can be daunting! This workshop helps clarify the process and aids students in developing important research skills. Minimum of four sessions.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
7-Class of 2019	Jun 17-28 Jul 8-12 10:00 AM-12:00 PM*	Mon-Fri	\$70/ hour	Mr. Ian Skemp, Providence Academy Upper School Teacher	A02

*Register for this academic enrichment class online and contact instructor directly at Ian.Skemp@providenceacademy.org to arrange specific dates and times.

OAK SAVANNA ECOSYSTEM RESEARCH PROJECT

Interested in scientific research? Want to gain experience doing real ecological fieldwork outside at one of the most influential field stations in the USA? This summer, join Dr. Boldt at Cedar Creek Ecosystem Science Reserve in East Bethel and get your hands dirty working with University of Minnesota researchers to answer questions about ecosystem ecology! The focus will be on the oak savanna, an ecosystem of conservation importance that is home to a wide variety of unique plants and animals. You will work in small groups to design research projects, collect and analyze data, and investigate all aspects of the savanna ecosystem, from the roles fire and water play in shaping the landscape to the ecology of the wildlife that live there. Cost includes transportation between Providence Academy and Reserve. Students should bring a bag lunch and beverage.

Grade (2019-20)	Date & Time	Day	Cost	Instructor	Code
9-12	Jun 17-Jul 3 8:30 AM-4:30 PM	Mon/Wed	\$350	Dr. Yvonne Boldt, Providence Academy Science Teacher	A05

SOIL APPLICATION RESEARCH PROJECT

This summer, the Soil Application Research Program will track the effects of fertilizer, compost, and the novel soil amendment known as "Precision Organics Test Product" (POTP) on the growth of river birch trees and swamp white oak trees growing on Providence Academy's property. Additionally, participants will evaluate how these affect aspects of soil chemistry and soil biology. Students participating in the program will engage in multiple phases of the scientific research process, including experimental design, data collection and statistical analysis. Research will be conducted by Dr. Yvonne Boldt, in partnership with Dr. John Lloyd of Precision Organics. Our interest in this project is to examine how fertilizers, composts, and other products, impact soil microbes, and how these products impact the quality of soils for growing flowers, trees, and vegetables in urban landscapes.

PALS Full-Day Camp

PALS Camp is designed for the student who is interested in a full-day camp experience. The camp provides enriching and fun activities for children age 5 through those entering grade 6, including a weekly field trip. All campers are exposed to daily activities that help them to stay abreast of some of their academic skills, be exposed to a new skill or interest, and have fun with new and old friends alike!

Age 5- Grade 2

The full day experience for our campers in this age range is theme-based (see pages 26-27). Sessions offer a variety of athletic and enrichment activities, arts and crafts, hands-on learning, reading and more.

Grades 3-6

Students entering grades 3-6 will have an opportunity to choose their own weekly activity from the list of amazing camps (see pages 28-29) offered on campus each week.

SESSION DAYS & TIMES

PALS camp is conducted Monday through Friday from 8:00 a.m. to 3:00 p.m., with an extended day option until 5:30 p.m. Ten weekly sessions are scheduled from June 10 to August 16. Students may participate in one week, several weeks, or all ten sessions.

PROGRAM OPTIONS & PRICING

Option	Days	Times	Price
5-Day Week, Extended	Mon-Fri	8:00 AM-5:30 PM	\$372/week \$3,423/10 weeks
5-Day Week	Mon-Fri	8:00 AM-3:00 PM	\$265/week \$2,433/10 weeks
4-Day Week, Extended	Mon-Thu	8:00 AM-5:30 PM	\$306/week \$2,844/10 weeks
4-Day Week	Mon-Thu	8:00 AM-3:00 PM	\$216/week \$1,954/10 weeks
3-Day Week, Extended (week of 7/1 only)	Mon-Wed	8:00 AM-5:30 PM	\$230/week
3-Day Week (week of 7/1 only)	Mon-Wed	8:00 AM-3:00 PM	\$162/week

SAMPLE DAILY SCHEDULE*

8:00-9:00 AM	Arrival and check in
9:00-9:30 AM	Gathering, prayer, and activity
9:30-11:30 AM*	Special activity OR group activities, relax and read, and academic enrichment
11:30-11:50 AM	Lunch: Students bring a cold lunch from home
11:50 AM-12:15 PM	Recess
12:15-2:45 PM*	Special activity OR group activities, relax and read, and academic enrichment
2:45-3:00 PM	Snack
3:00-5:30 PM	Extended Day: Group activities and recess

*Schedule is subject to change and activity times may vary.

PALS Sessions: Age 5-Grade 2

Session	Weekly Theme
Session 1 Jun 10-14	Engineering for Kids The world of comic books is full of heroes, villains, challenges and triumphs—and the heroes need help! Ready to see just what it takes to be super? In this camp, students answer the call for aid by dissecting superhero skill-sets to uncover the science behind super powers. Through a week of hands-on exercises in biology, engineering and technology, students fly alongside Superman, sling webs with Spider-Man and recognize the real-life heroes of our world. Dive head first into the pages of comic books where collaboration, communication and community awareness reign supreme.
Session 2 Jun 17-21	World Travelers Pack your (imaginary) bags and get ready to board the plane as we travel to different countries. This year we will be making stops to learn about the cultures in Mexico, China, and Africa. We will then take a time machine back into history to learn about Native Americans from here in the United States. We will read stories and learn about traditions, cuisines, art and games enjoyed by our friends around the world.
Session 3 Jun 24-28	Movin' & Groovin' Bring your dancing shoes and your tennis shoes as we participate in a variety of large motor activities. From making instruments and dancing to obstacle courses and life size Bingo, we will keep you "movin' and groovin'" all week long!
Session 4* Jul 1-3	Red, White & Blue (K-6) Explore American traditions as we celebrate Independence Day with our Red, White, and Blue activities. We will enjoy All American treats, crafts, and games as well as learn about our rich history in the United States. Bring on BBQ's and baseball—we are ready to celebrate!
Session 5 Jul 8-12	PA Summer Olympics We will participate in the events of the 2020 Summer Olympics by running our own Olympic events at camp. We will learn about Tokyo, the host city of the 2020 Summer Olympics, as well as the traditional events that take place at the Olympic ceremonies. We will have an opportunity to participate in several events and earn our own Gold, Silver and Bronze medals at the PA summer Olympics!
Session 6 Jul 15-19	Disney Madness Explore the wonderful world of Disney! Learn about Walt Disney, the creator behind all of these magical characters, play Disney games, enjoy Disney crafts, and share about your favorite movies and characters. Don't miss the opportunity to make these characters come to life through all sorts of fun adventures!
Session 7 Jul 22-26	Sports Extravaganza Put on your tennis shoes and get ready to sweat as we explore a variety of sports! We will participate in basketball, baseball/softball, tennis, soccer, football and more in our Sports Extravaganza camp. During this camp we hope to introduce skills to new players, and reinforce skills of our veterans. We will explore three to four different sports per day!
Session 8 Jul 29-Aug 2	Grab Bag/Mystery Camp Reach in and see what you get! This camp will include a variety of fun activities that are sure to create wonderful memories for our campers. But what will we do...it's a mystery! Join us to find out!
Session 9 Aug 5-9	Games Galore Board Games, Card games, game shows, outdoor games—we will enjoy them all during our games galore camp! Campers will develop the skills to play a variety of games that will keep them entertained on both sunny and rainy days throughout the entire summer. We will explore games from other cultures, all American favorites and get an opportunity to participate in some of our campers favorites!
Session 10 Aug 12-16	Martha Burns Swim School Join us for a week of swimming lessons with Martha Burns Swim School. Campers will spend four days participating in a 45-minute swim lesson followed by a 15-minute open swim time in the pool. Campers will be divided into groups based on age and swimming experience.

*Session 4 has only a 3-day option (Mon-Wed).

Theme Days/Times	Field Trip/Day/Time
Mon-Thu 1:00-4:00 PM	Minnesota Children's Museum Friday: 9:00 AM-3:00 PM
Mon-Thu 9:30-11:30 AM	Fort Snelling & Padelford River Boat Friday: 9:00 AM-3:00 PM
Mon-Thu 9:30-11:30 AM	River City Extreme Friday: 11:30 AM-3:00 PM
Mon-Wed 9:30-11:30 AM	Onsite - Bouncy House Wednesday: 9:00 AM-5:00 PM
Mon-Thu 9:30-11:30 AM	Stages Theatre & French Regional Park Friday: 9:00 AM-3:00 PM
Mon-Thu 9:30-11:30 AM	Valleyfair Friday: 9:00 AM-4:00 PM
Mon-Thu 9:30-11:30 AM	Edina Aquatic Center Friday: 10:30 AM-3:00 PM
Mon-Thu 9:30-11:30 AM	Elm Creek Park Reserve Friday: 10:00 AM-3:00 PM
Mon-Thu 9:30-11:30 AM	Base Camp Friday: 9:00 AM-3:00 PM
Schedule TBD	Urban Air Adventure Park Friday: 12:00-3:00 PM

PALS Sessions: Grades 3-6

PALS campers entering grades 3-6 have an opportunity to choose their weekly activity from the chart below. Details for these camps are on the previous pages. Once students are registered for PALS Camp, they will receive an email with an electronic link to make selections.

Session/Date	Activity Options	Grades	Days	Time
Session 1 Jun 10-14	Abrakadoodle: Fun Drawings Unleashed	3-4	Mon-Thu	1:00-4:00 PM

Key Information for

GENERAL INFORMATION

Contact Information

Questions regarding Providence Academy Summer Programs may be directed to Dawn Schommer, Manager of Auxiliary & Development Programs at (763) 258-2516 or Dawn.Schommer@ProvidenceAcademy.org.

Location

Providence Academy is located at 15100 Schmidt Lake Road in Plymouth, 55441. Specific room and facilities assignments will be communicated via an email reminder sent one week before the start of each activity. Information will also be posted inside the main entrance of the building.

Registration Deadline

Registration is open through **May 8** at providenceacademy.org/summer.

Summer Program Dates

Summer Programs are offered weekdays June 10 through August 9. PALS. Full-Day Camp offers an additional session August 12-16. In observance of the Independence Day holiday, no programs will be conducted on Thursday, July 4 or Friday, July 5.

POLICIES & PROCEDURES

Absences

Tuition will not be prorated or refunded due to school closings, family vacations or conflicting activities. If a student is asked to withdraw from an activity because of inappropriate conduct, a refund will not be issued. A refund for medical reasons is applicable for absences of two days or longer, and a doctor's note is required.

Attire

Participants and staff are required to dress appropriately. Clothing must be neat, clean, modest, and free of offensive advertisements and slogans. Participants that dress outside of these expectations may be required to change into more appropriate attire.

Cancellation Policy

Providence Academy reserves the right to cancel any offering and will make every effort to notify families at least two weeks prior to the start date. In the event of cancellation, participants will have the option of applying the tuition toward another offering or obtaining a full refund.

Comportment

Providence Academy promotes respect among individuals and does not tolerate foul or threatening language, harassment or bullying, or other inappropriate conduct. Students may be asked to withdraw from the program if this policy is violated.

Drop-Off and Pick-Up Procedures

All students are expected to be present at the appropriate meeting location at the start of the activity and must be picked up by the end of the activity. Providence Academy reserves the right to charge a late pick-up fee in the event a child is not picked up by the end of the session time. The fee is \$1 per minute, per child.

All Camps

Emergency Contact & Medical Information

Registration must include emergency contact and medical information to be considered complete. Authorization for administration of medication is also required, if applicable.

Min/Max Number of Participants & Waitlist

Each camp has a minimum and maximum number of participants and these requirements vary from activity to activity. A minimum number of participants is required in order for an offering to be conducted; **the activity is subject to cancellation if it does not reach the required number of participants.** The maximum number of students is determined based on the type of camp and the appropriate student to teacher ratio, so that all participants may gain the full experience of the camp; a waitlist is available for activities that reach the maximum number of participants.

Payment

Payment in full is required at time of registration; a \$25 fee will be assessed for payment that cannot be processed because of insufficient funds or a declined credit card.

Photographs

Providence Academy, its official representatives and assigns, have the irrevocable and unrestricted right to use and publish photographs of all the Providence Academy Summer Activities participants for editorial, trade, advertising, and any other purpose and in any manner and medium. Providence Academy and its official representatives and assigns are released from all claims and liability relating to said photographs.

Supervision

All students in the building must be under adult supervision. If there is a span of one hour or less between two consecutive activities that your child (age 5 - entering grade 6) is registered for, he/she may participate in PALS Lunch Layover for a fee of \$10/hour. Register at providenceacademy.org/summer

Weather

If a session must be cancelled due to inclement weather, or any other unforeseen circumstance, the instructor will contact participants regarding the cancellation.

Withdrawal & Refund Policy

If your plans change and you wish to withdraw registration before May 8, the tuition, less a \$50 administrative fee, is refundable. **To ensure staffing and program commitments to all families, no refunds will be granted after that date, including withdrawals due to vacation schedules, change of plans, or conflicting activities.**

Phone withdrawals are not permitted. Withdrawals must be submitted in writing to Dawn Schommer, Manager of Auxiliary & Development Programs, at dawn.schommer@providenceacademy.org
