

LIONS FOOTBALL

2019 Spring Update

Dear LionsFootball Families,

Spring is finally upon us (I hope). And that means that the start of the 2019 Football Season is not that far off. I would like to take this opportunity to invite everyone to our 2019 Season Player and Parent Meeting which is at **5:00PM on Sunday May 19th** at Providence Academy in the Great Room. The meeting is open to all parents and players who will be in grades 9-12 next fall and playing JV/Varsity Football. We will cover multiple items, but the main purposes of the meeting are the following:

1. Introduce myself and the staff to those families who will be new to Providence Football.
2. Go over my program philosophy, lessons learned from last season and my vision for Lions Football going forward.
3. Cover the summer schedule: from workouts, to practices, 7 on 7 scrimmages, and schedule all the way up to the start of August two a day practices.
4. In-season: schedule and expectations

Once the presentation portion is completed, I will be available for a “meet and greet” and to be accessible to answer any questions you may have.

Secondly, I want to get the word out that the online registration for football opens on Monday, May 6th. Providence Academy Assistant AD Sarah Melhorn has revamped the online registration process to make this process go even smoother. The goal is to have as many players as possible registered during this enrollment period which runs until May 26th. The registration link is found on the Providence Academy school website under the “Athletics” tab and will open on May 6th.

I look forward to seeing everyone at the meeting on May 19th!

GO LIONS!
