

PROVIDENCE ACADEMY

Providence Academy Lower School Student Supply List 2019-20

Providence Academy will purchase most of the supplies that your child will need. Please do not purchase additional supply items as we will obtain specific materials that the teachers would like the children to use at school. For these items, as well as special project supplies, a \$90.00 supply fee will be charged to each child's account at the beginning of the school year. This fee will cover almost all student classroom needs throughout the year. We obtain many of the items in bulk and at discount or prices comparable to locally advertised prices. In addition to the benefit of not searching stores for the specific items on a school supply list, you will not be asked to regularly send in classroom supplies, additional supplies for your child, or materials for special projects/crafts at holiday times.

When purchasing student supplies listed below, please note the policy in the Providence Academy Handbook... *"In keeping with the spirit of the uniform policy, cartoons, photographs, and other images are not permitted on backpacks, lunch boxes, notebooks, etc."* Please remember that the policy pertains to lunch bags/totes, book covers, jackets, hats, mittens, etc.
