### Start your day off strong

1. Mass will be offered each day at 8:00 AM for any who wish to receive it online
2. Daily announcements by Dr. Flanders will be given online at 8:30 AM

### Attend school online

1. Attendance: Begin first period at 9:00 AM by logging into Moodle. Use the Attendance link to check into your first period class (the link is to a Google form that asks you to select two things: the course and the color period). On days when your class has a live session, check in before this class as well
2. Follow the instructions provided by your teacher. This includes what to do “during” the period as well as any additional assignment/activity
3. Do this for each class throughout the day (Attendance first, then instructions from the teacher)
4. Repeat this process each day. Note that each day has its own different link for Attendance
5. Take breaks as your schedule allows
6. Complete all steps provided by the teacher for that day before the start of the next day (assignments will be checked each morning for completion)

### Go to class online in real time

1. Each class will meet twice each week in Google Meet. Your teacher will provide a link for that meeting as part of the day’s assignment. After registering your Attendance in Moodle, select the link and join your teacher and classmates. Here is when each color period will meet live:

### Talk to your teachers!

1. Teachers will be available during your class period, even when your class is not holding a Google Meet
2. Teachers will be available Tue., Wed., and Thur. from 2-3 pm, for help, or at times indicated by your teacher
3. Since your teachers will check on assigned work at the start of each day, be sure to check into each class for your assigned schedule—at the start of the class itself, if you can, or, if that doesn’t work, at some other point during the day—and complete daily assignments as required
