

YOUR PLANNED GIFT

Your Legacy

Providence Academy was founded to fulfill the need for top-flight academics and extracurricular activities with a faith-based mission. The desire to continue to provide the very best educational experience for generations to come is exemplified in parents, grandparents, and friends who have remembered Providence Academy through planned giving.

Our Mission

Providence Academy is a Roman Catholic college-preparatory school with a comprehensive, core-knowledge curriculum that promotes superior academic achievement, mastery of skills and content, character development and citizenship within a faith-filled, Christian environment.

Our Philosophy

From the heart of our motto, “Faith, Knowledge, Virtue,” Providence Academy develops habits of spirit, mind and action to prepare students for future leadership in vocations and civic life. Faith and morals provide the foundation for time-honored training in the liberal arts and sciences. An emphasis on the intellectual and cultural heritage of Western civilization highlights principles of freedom and justice necessary for American self-government. Providence Academy aims to graduate citizens who are good believers, good thinkers, good citizens—in a word, good Christians, prepared to meet the challenges and complexities of American life in the 21st century.
