"IT IS THE EXCELLENT TRANSPORTATION THAT MADE ATTENDING THIS INCREDIBLE SCHOOL POSSIBLE FOR OUR CHILDREN."

-Eden Prairie Parent

Providence Academy offers convenient options for bringing your children to and from our single campus in Plymouth. Providence bus service can be arranged for curbside at your residence, a shared stop within a neighborhood, or a nearby shuttle stop. The same driver serves your family throughout the year and will often service a route for multiple years as a reliable partner in your child's safe travel to and from school.

We also offer "late bus" service to accommodate after school activities. Late bus service is available for departure from campus between 5:00-6:00 pm. Other transportation options available include parent drop-off and pickup, car pools, as well as Wayzata School District (#284) provided transportation (for residents), and Plymouth Dial-A-Ride services (for residents).

Providence Academy provides busing for Kindergarten through 12th grade students. Transportation Intent Forms are sent via a link in May and must be completed by June 14th to ensure service and proper staffing for our routes. *2022-2023 rates are included below*.
