May 10-13 Lower School Library

## Book Fair Hours

Tuesday, May 10	8am to 4pm
Wednesday, May 11	8am to 4pm
Thursday, May 12	8am to 4pm
Friday, May 13	8am to 11am

## Great Middle Grade Novels

We've got a great selection of new titles for chapter book readers, like the new *Vanderbeekers Make a Wish*, as well as some old favorites like *Boxcar Children Mysteries*, and the *I Survived* series. Lots of great choices for beginning readers too!

## Summer Reading Fun!

Once again, the focus of the book fair is Summer Fun, and all titles have been carefully selected with that in mind. We'll have a great selection of middle grade mysteries and adventures that are perfect to take to the cabin or read under a tree in your own backyard. We'll have sticker and activity books to take on the road, and picture books about the bugs and butterflies you'll find closer to home. We'll also have the required summer reading titles for each grade. It's a great time to stock up for a whole summer of family reading fun!

## Fun Picture Books the Whole Family Will Enjoy

...and activities, too!

"Reading should not be presented to children as a chore, a duty. It should be offered as a gift."

--Kate DiCamillo

Our books are provided by Red Wagon Books, a local book vendor that brings the highest quality hand-selected titles, both new and timeless, to school book fairs. Students will be able to take books home the days of the fair, and Providence Academy will receive a percentage of the total book sales to support the library.
