# Spend Your Summer at Providence!

**PROVIDENCE  
ACADEMY**

# WELCOME

We at Providence Academy invite you and your family to experience a variety of enriching and fun experiences for students age 5 to those in the high school Class of 2023. Participants do not need to be enrolled at Providence Academy to participate and may register for one activity or several. The PALS Camp is an excellent option for students, age 5 through rising 6th graders, who want a full-day camp experience.

We promote active learning in a safe and comfortable environment by providing quality content, excellent instructors, and a focus on faith in God and moral character. Most activities take place on the school's beautiful 42-acre campus, conveniently located in Plymouth, allowing students to take advantage of the outstanding available resources, including full athletic facilities, fully-equipped classrooms and a state-of-the-art performing arts center.

Many of our programs reach enrollment capacity, so we encourage you to register as soon as possible at [providenceacademy.org/summer](http://providenceacademy.org/summer).

We look forward to being a part of your summer!

## ABRAKADOODLE

Abrakadoodle art education helps kids soar into the amazing universe of the visual arts. Our creative and fun classes, camps and birthday parties offer a thrilling format for art exploration. Kids are introduced to a wide variety of mediums and are encouraged to express themselves through their artwork in a supportive, positive and self esteem building atmosphere. Lessons, taught by professional and caring art teachers, are colorful, engaging, and fun. And, best of all, you get to leave the mess with us! Voted best art program in the Twin Cities by GoCityKids.com and Minnesota Monthly. [www.abrakadoodle.com](http://www.abrakadoodle.com)

## Create-A-Mini-Musical

Over the course of the program, we write a story together – with the kids each picking their characters, and collaboratively choosing the places we'll 'journey to', followed by us writing dialogue (+plot bullet points, with improvisation encouraged!) and songs together. Then we rehearse the miniature show, with me as their narrator and guide from the piano or keyboard (which I can provide).

The final performances are fun and casual – kids perform mostly in groups, and sing their original songs all-together, with the rare exception of solos and duets based on personal comfort. It is a very collaborative, fun experience overall – but secretly builds communication skills, inspires creativity and adaptability, and helps kids experience a "sky's the limit" feeling when it comes to the creative arts. A final show open to family and friends will take place at 11:30am on the final day of camp (Wednesday July 26th.)

Providence Academy will be offering in person classes this summer. Please keep an eye out for Dates, Time and Cost.

## Kidcreate Studio's

Kidcreate Studio's award-winning art classes allow kids to explore art in an environment full of giggles and grins. Kids create fridge worthy masterpieces while learning art concepts and experimenting with different art materials. The curriculum is age-appropriate and designed to inspire. Classes provide a fun, self-esteem building atmosphere full of "I did it" moments. Making a mess is the best with Kidcreate Studio! For more information about Kidcreate Studio visit [www.kidcreatestudio.com](http://www.kidcreatestudio.com).

## Ooey Goopy Clay Play

Let your child dig their hands into some ooey, goopy clay and experience the art of play! Sparkly ice cream cones, proud ponies, colorful dragons and silly self-portraits are just a few of the incredible creations your child will construct as they learn basic terms and techniques of working with clay. We'll use air-dry clay, Model Magic® and paint during this fun filled (and messy) camp.

### Drawing as Easy as 1,2,3

With this camp, you'll learn drawing really is as easy as 1, 2, 3! If you can write an ordinary number, you can turn it into an extraordinary drawing by following our simple step-by-step processes. From zany zebras, cute puppies to a giant cactus and everything in between, you won't believe what you can create from an ordinary number. (Though we'll borrow some numbers, no actual math is required for this artsy good time!)

Technological literacy is becoming as important as knowing how to read and write. At Tech Tac Toe it is our mission to spread this knowledge through high quality, kid-friendly classes that motivate and get young minds excited about technology, computers and science. Our classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life skills such as problem solving, logic, and creativity. Programs are presented in a kid-friendly way and tailored to their abilities. We make great use of video game programming and other fun computer based programs, as this allows children to learn the way they learn best: playing!

## Vinyard App Camp

VineyardAppCamp was built on the belief that early acts of entrepreneurship and understanding of technology pay dividends down the road. All students have great app and website ideas; with mentoring to unlock their ideas, they can begin their journey. Through building their own app, students learn to think critically about a problem and identify ways to solve problems through technology. On top of our unique educational philosophy, we build 21st century, distributed computing driven educational software to create an engaging online classroom environment and help students get the most out of class. Our team consists of experienced Ivy-League coding experts— from former/current managers at large tech firms and successful startups to graduates from top universities. Every one of our instructors were chosen based on three key criteria: their passion for education, their technical know-how, and their mentor experience. We take into account the needs of our students holistically, and we aren't satisfied until we see that our students have successfully established their own enduring relationship with tech and entrepreneurship.

### Entrepreneurship

**Computer or tablets required:** Have you ever wanted to start your own business or website? In this camp for budding entrepreneurs, that's exactly what you'll do! You'll work with a classmate to come up with a simple company idea, taking it as far as it will go before the camp ends. You'll create a business plan, enlist friends and family, and set up everything you need to be a junior entrepreneur: a first email address, a basic app or website, and a presentation. Ultimately, you'll share your idea with friends and family, work hard to get a first customer, and present all your progress to the whole camp.

*You'll have a ton of fun and accomplish more than you ever have before!*

## Game Design

**Computers or tablets required:** Ever wanted to build your own games or apps? Love Roblox or Minecraft? Well, this is the camp for you! In this camp, students will learn the skills of a game maker through conceiving, designing, and creating their own mobile app games. The resulting games can be shared online and texted to friends for them to play on their phones. It's a great way to combine learning with fun becoming a game developer. ***You don't need any previous experience or special software to take this: all you need is your creativity and a laptop.***

## AI for Kids

Do you have a kid who is creative or interested in technology? Have you ever wanted to know about/know how to use AI? Well, you're in luck, because this is the camp for you! We're now in a world where even very young students can use free-online AI tools to generate essays, stories, and even music, television or games. In this new world, kids can cultivate their own creativity at young ages by doing projects like creating AI symphonies, working with partners and AI to create animated books, and generating AI animations. Along the way, they'll gain access to a suite of tools that can help with homework in the future, build familiarity with the new AI world we're moving into, and — importantly — understand when and when not to use this powerful new tool. \*Note that this is creative class for younger students and not a coding class\*

## SKYHAWKS

SkyHawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life, such as teamwork, respect and sportsmanship. All participants receive a medal. Programs are designed to give each child a positive introduction into sports while fostering a lifelong love for an active and healthy lifestyle. Their patient and knowledgeable staff use a variety of skill-building games and activities to give each athlete a complete understanding and overview of the sport. Participants should wear appropriate clothing, shoes, and sunscreen and bring two snacks and a water bottle.

### Soccer

SkyHawks was founded as a soccer club in 1979. Thirty years later, we are still the number one choice for parents looking to introduce their children to the fundamentals of the world's most popular sport. Using our progressive curriculum, your young athlete will gain the technical skills and sport knowledge required for the next step into soccer. Designed for beginner and intermediate players, this camp focuses on dribbling, passing, shooting, and ball control. ***This camp will play outdoors rain or shine. Camp will cancel if there is lightning.***

## Beginning Golf

SkyHawks Golf focuses on building the confidence of young athletes by teaching proper technique to refine essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, SkyHawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG utilizes a set of equipment designed for beginning golfers, including oversized plastic club heads and “mini tennis balls” to help build confidence and to have fun. Developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs--all equipment is provided.

### Tennis

***Grab your tennis racket and get ready to play!*** Whether you're a beginning, intermediate or advanced player, this program will improve your game and help you get more enjoyment from tennis. Our tennis programs focus on skill refinement as well as practice and match play to develop consistent, well-rounded tennis players. Each player is given personal attention and taught through repetition in an enjoyable, lively atmosphere. SkyHawks tennis breaks down the fundamental skills of tennis through easily understood games and exercises to help improve the athlete's overall coordination and technique. Players learn proper grips, footwork, strokes, volleys and serves during a series of drills designed to teach skills in a fun and dynamic way. In addition to developing a love for tennis, athletes will learn the rules and etiquette that make tennis such an exciting game to play.

## CUSTOMIZED ACADEMIC ENRICHMENT

During the school year, Providence Academy faculty work to instill a love of learning, along with habits of virtue, that will help students meet the challenges of education and of life beyond the school's walls. We're pleased to continue that work during summer months by offering an array of customized, one-on-one opportunities in hourly, or half-hourly, blocks, designed to meet the needs of individual students from any school as they further develop academic skills and confidence in their own abilities. Dates and times listed indicate the instructors availability; work with them directly to schedule individual sessions.

### Math Enrichment

Summer math enrichment builds confidence in math. Students review and practice concepts from the previous school year, focusing on the needs of each individual student. Minimum of three sessions. PLEASE NOTE - A single student can register up to 3 times for Math Enrichment with Mrs. McElroy (3 - one hour sessions) (3 registrations of 3 hours/ registration = 9 total hours of tutoring)

# ***KEY INFORMATION FOR ALL***

## **GENERAL INFORMATION**

### **Contact Information**

Questions regarding Providence Academy Summer Programs may be directed to Morgan Underwood, Summer Programs Coordinator, at (763) 258-2559 or [Pasummercamps@providenceacademy.org](mailto:Pasummercamps@providenceacademy.org).

### **Location**

Providence Academy is located at 15100 Schmidt Lake Road in Plymouth, 55446. Specific room and facilities assignments will be communicated via an email reminder sent one week before the start of each activity. Information will also be posted inside the entrance of the building. Students should enter through the east (Lower School) door, Door #25.

### **Registration Deadline**

In general, registration remains open at [providenceacademy.org/summer](http://providenceacademy.org/summer) until one week before the beginning of each camp. Camps may fill before that time.

### **Summer Program Dates**

Summer Programs are offered weekdays June 13 through August 12. PALS Full-Day Camp offers a special two-day field trip session August 15-16. In observance of the Juneteenth & Independence Day holidays, no programs will be conducted on Monday, June 20 and Monday, July 4.

## **POLICIES & PROCEDURES**

### **Absences**

*Tuition will not be prorated or refunded due to school closings, family vacations or conflicting activities.*

If a student is asked to withdraw from an activity because of inappropriate conduct, a refund will not be issued. A refund for medical reasons is applicable for absences of two days or longer, and a doctor's note is required.

### **Attire**

Participants and staff are required to dress appropriately. Clothing must be neat, clean, modest, and free of offensive advertisements and slogans. Participants that dress outside of these expectations may be required to change into more appropriate attire.

### **Cancellation Policy**

Providence Academy reserves the right to cancel any offering and will make every effort to notify families at least two weeks prior to the start date. In the event of cancellation, participants will have the option of applying the tuition toward another offering or obtaining a full refund.

### **Comportment**

Providence Academy promotes respect among individuals and does not tolerate foul or threatening language, harassment or bullying, or other inappropriate conduct. Students may be asked to withdraw from the program if this policy is violated.

# ***KEY INFORMATION FOR ALL***

## **Drop-Off and Pick-Up Procedures**

All students are expected to be present at the appropriate meeting location at the start of the activity and must be picked up by the end of the activity. Providence Academy reserves the right to charge a late pick-up fee in the event a child is not picked up by the end of the session time. The fee is \$1 per minute, per child.

## **Emergency Contact & Medical Information**

Registration must include emergency contact and medical information to be considered complete. Authorization for administration of medication is also required, if applicable.

## **Min/Max Number of Participants & Waitlist**

Each camp has a minimum and maximum number of participants and these requirements vary from activity to activity. A minimum number of participants is required in order for an offering to be conducted; **the activity is subject to cancellation if it does not reach the required number of participants.** The maximum number of students is determined based on the type of camp and the appropriate student to teacher ratio, so that all participants may gain the full experience of the camp; a waitlist is available for activities that reach the maximum number of participants.

## **Payment**

Payment in full is required at time of registration; a \$25 fee will be assessed for payment that cannot be processed because of insufficient funds or a declined credit card.

## **Photographs**

Providence Academy, its official representatives and assigns, have the irrevocable and unrestricted right to use and publish photographs of all the Providence Academy Summer Activities participants for editorial, trade, advertising, and any other purpose and in any manner and medium. Providence Academy and its official representatives and assigns are released from all claims and liability relating to said photographs.

## **Supervision**

All students in the building must be under adult supervision.

## **Weather**

If a session must be canceled due to inclement weather, or any other unforeseen circumstance, the instructor will contact participants regarding the cancellation.

## **Withdrawal & Refund Policy**

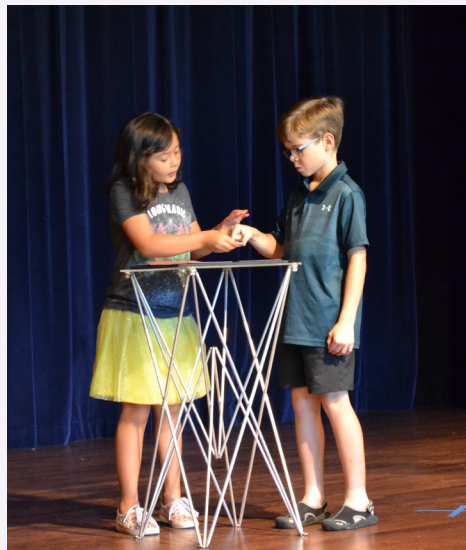

If you wish to withdraw any registration, your fee will be refunded if you request cancellation at least 20 days before the start of the session. To ensure staffing and program commitments to all families, refunds will only be granted after that date in the event of illness.

**Phone withdrawals are not permitted. Withdrawals must be submitted in writing to Morgan Underwood, Summer Programs Coordinator, at [Pasummercamps@providenceacademy.org](mailto:Pasummercamps@providenceacademy.org)**
