SPEND YOUR SUMMER AT PROVIDENCE!

PROVIDENCE ACADEMY

FIDES · SCIENTIA · VIRTUS

WELCOME

We, at Providence Academy, invite you and your family to experience a variety of enriching and fun experiences for students from age 5 to those in the high school Class of 2024. Applicants do not need to be enrolled at Providence Academy to participate and may register for one activity or several. The Providence Academy Lower School Camp is an excellent option for students, age 5 through rising 6th graders, who want a full-day camp experience.

We promote active learning in a safe and comfortable environment by providing quality content, excellent instructors, and a focus on faith in God and on moral character. Most activities take place on the school's beautiful 42-acre campus, conveniently located in Plymouth, allowing students to take advantage of the outstanding available resources, including full athletic facilities, fully-equipped classrooms and a state-of-the-art performing arts center.

Many of our programs reach enrollment capacity, so we encourage you to register as soon as possible at providenceacademy.org/summer.

We look forward to being a part of your summer!

TECH TAC TOE

Technological literacy is becoming as important as knowing how to read and write. Tech Tac Toe's mission is to spread this knowledge through high quality classes that motivate and get young minds excited about technology, computers and science.

Classes are designed to engage children in multiple ways: from conceptualization to design, ultimately building life skills such as problem solving, logic, and creativity. Programs are presented in a kid-friendly way and tailored to their abilities. We make great use of video game programming and other fun computer-based programs, as it allows children to learn the way they learn best: by playing! All Tech Tac Toe students should bring a snack and beverage.

ACTIVITIES & ARTS

VINEYARD

VineyardAppCamp was built on the belief that early acts of entrepreneurship and understanding of technology pay dividends down the road. All students have great app and website ideas; with mentoring to unlock their ideas, they can begin their journey. Through building their own app, students learn to think critically about a problem and identify ways to solve problems through technology. On top of our unique educational philosophy, we build 21st century, distributed-computing driven educational software to create an engaging online classroom environment and help students get the most out of class. Our team consists of experienced Ivy-League coding experts-from former/current managers at large tech firms and successful startups to graduates from top universities. Every one of our instructors were chosen based on three key criteria: their passion for education, their technical know-how, and their mentor experience. We take into account the needs of our students holistically, and we aren't satisfied until we see that our students have successfully established their own enduring relationship with tech and entrepreneurship.

Entrepreneurship

Have you ever wanted to start your own business or website? In this class for budding entrepreneurs, that's exactly what you'll do! You'll work with a classmate to come up with a simple company idea, taking it as far as it will go before the class ends. You'll create a business plan, enlist friends and family, and set up everything you need to be a junior entrepreneur: a first email address, a basic app or website, and a presentation. Ultimately, you'll share your idea with friends and family, work hard to get a first customer, and present all your progress to the whole class. You'll have a ton of fun and accomplish more than you ever have before! ***Computer or Tablet Required.***

ACADEMICS

CUSTOMIZED ACADEMIC ENRICHMENT

During the school year, Providence Academy faculty work to instill a love of learning, along with habits of virtue, that will help students meet the challenges of education and of life beyond the school's walls. We're pleased to continue that work during summer months by offering an array of customized, one-on-one opportunities in hourly, or half-hourly, blocks, designed to meet the needs of individual students from any school as they further develop academic skills and confidence in their own abilities. Dates and times listed indicate the instructor's availability; work with them directly to schedule individual sessions.

Soil Application Research

Scientific experiments using novel soil amendments from Precision Organics Company will be tested for their effects on urban landscape plants (grass, vegetables, or flowers). This project gives students experience in experimental design, data collection, and statistical analysis that supports the development of environmentally friendly soil amendments for the landscaping industry.

World Religions

Are you curious about other religions, especially around the world? This seminar course led by Mrs. Jendro will be an opportunity to do just that! Participants will be assigned roughly a chapter a week to read from the text *Exploring the Religions of Our World* (Ave Maria Press) and we will meet for an hour and half to discuss it together and deepen our understanding. Finally, if possible, we will try to find opportunities to visit local places of worship from other religions together, too!

Introduction to the New Testament

Campers will explore the Bible as God's Word in a Library, not a book! Students will learn the basic format of Sacred Scripture including: the books, the four types of writing (Books of the Law, History, Wisdom, and Prophecy), and how all of the Old and New Testament points toward Our Lord and Savior, Jesus Christ. Our focus of this camp is specifically on reading selected passages (Gospels, Acts, and Letters) from the life of Christ and how the Holy Spirit lead the early Church in the New Testament. First time campers receive a Bible, and all campers receive a study coloring book.

Research Skills

At some point in your life, you will need to do research. Perhaps you'll need to present a report at a work meeting, or pitch an idea to a group of investors. Of course, before that happens, you will be assigned projects in school. These sessions are designed to help students develop basic research, writing, and presentation skills. Additionally, we will work together to understand the ethical use of AI technology. Minimum 4 sessions

PALS

PALS FULL-DAY CAMP

PALS Camp is designed for the student who is interested in a full-day camp experience. The camp provides enriching and fun activities for children age 5 through those entering grade 6, including a weekly field trip. All campers are exposed to daily activities that help them to stay abreast of some of their academic skills, be exposed to a new skill or interest, and have fun with new and old friends alike!

Age 5 - Grade 2
The full day experience for our campers in this age range is theme-based. Sessions offer a variety of athletic and enrichment activities, arts and crafts, hands-on learning, reading and more.

Grades 3-6
Students entering grades 3-6 will participate in a weekly activity offered on campus.

SESSION DAYS & TIMES
PALS camp is conducted Monday through Friday from 8:00 a.m. to 3:00 p.m., with an extended day option until 5:00 p.m. Weekly sessions are scheduled from June 10 to August 9. Students may participate in one week, several weeks, or all nine sessions.

PALS SESSIONS: AGE 5-GRADE 2

Session	Weekly Theme
Session 1 Jun 10-14	**Skyhawks** Enjoy a wide variety of sports and activities that will be explored in a fun and interactive setting. This t-ball, basketball, and soccer program gives children a fun and positive first step into athletics. Through games and activities, campers explore balance, hand/eye coordination, and skill development at their own pace
Session 2 Jun 17-21	**Crazy Colors** *NO CAMP ON 6/19* Explore the world of colors around you! Campers will engage in fun art projects, food productions, music activities, and games that use color as their foundation. We will explore how colors mix and change in the world around us. Get out your brightest t-shirts and prepare for a week of exciting activities!
Session 3 Jun 24-28	**Ancient Civilizations** Travel back in time and discover what life was like for some of our earliest civilizations. Compare life in Ancient Greece, Ancient Rome, Ancient Egypt, and more to our lives today. Learn about the great discoveries that took place so long ago that still influence our everyday life.
Session 4 Jul 1-5	**KidCreate Art Studio** *NO CAMP ON 7/4 & 7/5* Your wish is our command! Get ready because we've taken our most popular and most requested projects and put them all together into one totally epic class!! Come create cute clay animal sculptures, sleepy sloths decked out in adorable flower crowns, and so much more. We'll even tempt our sweet tooths while sculpting cool candy scenes, complete with frosting, colorful candy, and a Fruit Loop rainbow!
Session 5 Jul 8-12	**Holidays in July** Celebrate all of our great holidays in one sunny week! Create a Thanksgiving feast, wrap your Christmas gifts, share your valentines, and celebrate the resurrection of Jesus! One day is not enough to enjoy these great holidays. Come enjoy them for a whole week!
Session 6 Jul 15-19	**Animal Planet** Join us as we explore the fascinating world of animals! Learn about animals through creative movements, music, art, and games! We will explore animals from all parts of the world - desert animals, aquatic animals, animals of the rainforest, and more!
Session 7 Jul 22-26	**Fairy Tales and Folktales** Make your own magic at our Fairy Tales and Folktales camp! Enjoy both new and classic stories as we put your artistic and dramatic skills to the test. Find Cinderella's missing slipper, build a house for the three little pigs, or be the big bad wolf that blows it down! Your creativity will be unleashed in this magical camp!
Session 8 Jul 29-Aug 2	**Adventureland** We are going on an adventure to all parts of the world. Join us as we travel on an African safari, journey through the rainforest, explore the desert land, and take a dive under the sea! We will have lots of fun as we learn more about these exciting ecosystems.
Session 9 Aug 5-9	**STEM Builders** Robotics for kids is a fun and interactive approach to learning STEM principles by allowing them to enjoy hands-on activities. Students will learn about Robotics, Edblocks and enjoy many DIY activities.

PALS FIELD TRIPS (ONLY FOR PALS STUDENTS)

Field Trip Date/Time	Field Trip or Onsite Activity
Friday, June 14	**Snapology, Minneapolis** Where robotics and Legos come together. A great day of exploring engineering projects.
Friday, June 21	**Can Can Wonderland, St. Paul** From Mini Golf to Arcade Games, there is something for everyone.
Friday, June 28	**Aquatic Park, St. Louis Park** The best place to stay cool during the summer. Wade into the pool from the zero-depth entry or splash into the water from the four-story water slides.
Friday, July 5	**CLOSED FOR THE 4TH OF JULY** **(No Field Trip)**
Friday, July 12	**Conquer Ninja Gyms, Blaine** Obstacle course and Ninja Warrior training facility. Big muscle workout and lots of fun!

KEY INFORMATION FOR ALL CAMPS

GENERAL INFORMATION
Contact Information
Questions regarding Providence Academy Summer Programs may be directed to Chris McElroy, Summer Programs Coordinator, at (763) 258-2515 or Pasummercamps@providenceacademy.org.

Location
Providence Academy is located at 15100 Schmidt Lake Road in Plymouth, 55446. Specific room and facilities assignments will be communicated via an email reminder sent one week before the start of each activity. Information will also be posted inside the entrance of the building. Students should enter through the Main Entrance, Door #1.

Registration Deadline
In general, registration remains open at providenceacademy.org/summer until one week before the beginning of each camp. Camps may fill before that time.

Summer Program Dates
Summer Programs are offered weekdays June 10 through August 9. In observance of the Juneteenth & Independence Day holidays, no programs will be conducted on Wednesday, June 19 and Thursday, July 4 & Friday, July 5.

POLICIES & PROCEDURES
Absences
Tuition will not be prorated or refunded due to school closings, family vacations or conflicting activities. If a student is removed from an activity because of inappropriate conduct, a refund will not be issued.
A refund for medical reasons is applicable for absences of two days or longer, and a doctor's note is required.

Attire
Participants and staff are required to dress appropriately. Clothing must be neat, clean, modest, and free of offensive advertisements and slogans. Participants that dress outside of these expectations may be required to change into more appropriate attire.

Cancellation Policy
Providence Academy reserves the right to cancel any offering and will make every effort to notify families at least two weeks prior to the start date. In the event of cancellation, participants will have the option of applying the tuition toward another offering or obtaining a full refund.

Comportment
Providence Academy promotes respect among individuals and does not tolerate foul or threatening language, harassment or bullying, or other inappropriate conduct. Violation of this policy is grounds for removal from all registered activities

KEY INFORMATION FOR ALL CAMPS

Drop-Off and Pick-Up Procedures

All students are expected to be present at the appropriate meeting location at the start of the activity and must be picked up by the end of the activity. Providence Academy reserves the right to charge a late pick-up fee in the event a child is not picked up by the end of the session time. The fee is $1 per minute, per child.

Emergency Contact & Medical Information

Registration must include emergency contact and medical information to be considered complete. Authorization for administration of medication is also required, if applicable.

Min/Max Number of Participants & Waitlist

Each camp has a minimum and maximum number of participants and these requirements vary from activity to activity. A minimum number of participants is required in order for an offering to be conducted; **the activity is subject to cancellation if it does not reach the required number of participants**. The maximum number of students is determined based on the type of camp and the appropriate student to teacher ratio, so that all participants may gain the full experience of the camp; a waitlist is available for activities that reach the maximum number of participants.

Payment

Payment in full is required at time of registration; a $25 fee will be assessed for payment that cannot be processed because of insufficient funds or a declined credit card.

Photographs

Providence Academy, its official representatives and assigns, have the irrevocable and unrestricted right to use and publish photographs of all the Providence Academy Summer Activities participants for editorial, trade, advertising, and any other purpose and in any manner and medium. Providence Academy and its official representatives and assigns are released from all claims and liability relating to said photographs.

Supervision

All students in the building must be under adult supervision.

Weather

If a session must be canceled due to inclement weather, or any other unforeseen circumstance, the instructor will contact participants regarding the cancellation.

Withdrawal & Refund Policy

If you wish to withdraw any registration, your fee will be refunded if you request cancellation at least 20 days before the start of the session. To ensure staffing and program commitments to all families, refunds will only be granted after that date in the event of illness.
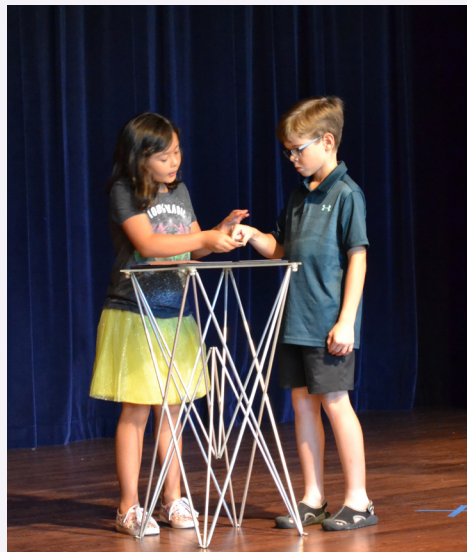

Phone withdrawals are not permitted. Withdrawals must be submitted in writing to Chris McElroy, Summer Programs Coordinator, at Pasummercamps@providenceacademy.org
