

PROVIDENCE ACADEMY

**Providence Academy Health Office
Annual Ibuprofen/Acetaminophen Authorization Form
For students in Middle and Upper School
During the 2026-2027 School Year**

Minnesota state law (statute 121A.222) allows a secondary student to use nonprescription pain relief in the school setting without a written physician's order provided the medication is taken in a manner **consistent with the labeling of the medication**. Providence Academy must receive written authorization from the parent or guardian and this authorization **must be submitted each year**. Providence Academy will require the medication to be stored in the original container in the health office for students and administered by the School Nurse.

Non-prescription medications **include only ibuprofen (Advil, Motrin) and acetaminophen (Tylenol)**.
