Transportation

Providence Academy offers convenient options for transporting your children to and from our campus in Plymouth. Providence busing service can be arranged for curbside at your residence, a shared stop within a neighborhood, or a nearby shuttle stop. The same driver serves your family throughout the year and will often service a route for multiple years as a reliable partner in your child's safe travel to and from school.

Other transportation options available include parent drop-off and pickup, carpools, as well as Wayzata School District (#284) provided transportation (for residents), and Plymouth Click-and-Ride services (for residents).

Providence offers busing for Kindergarten through 12th grade students. Transportation Intent Forms are sent via an email link in May and must be completed by Friday, June 12th to ensure service and proper staffing for our routes. **2026-2027 rates are included below.**
